

STATEMENT OF PURPOSE

RS24258C1

The purpose of this proposed legislation is to shift the distribution of Off-highway vehicle (OHV) registration fees collected by the state to the counties, per Idaho Code 67-2127.

OHV owners are asking to have 85% of their registration fees go to the individual counties of their choice and have the remaining 15% go to the state for administration fees. This will be consistent with the distribution of monies currently collected for registered boat and snowmobile fees, using the identical percentages.

FISCAL NOTE

State Currently \$1,555,230.28

Proposed:

- State \$233,284.54 - 15%
- Counties \$1,321,945.74 - 85%
