

STATEMENT OF PURPOSE

RS24613

The intent of this legislation is to implement policy changes in regard to the foster care program. The legislation proposes to enhance court participation in the decision making process regarding adoption choices and placement. It also outlines notice requirements for moving foster children to new foster homes under certain circumstances.

FISCAL NOTE

This legislation is a policy change and not a program change. The change in policy may result in additional hearings in some cases and fewer hearings in others. Amounts, if any, would be nearly impossible to calculate at this time.
