

STATEMENT OF PURPOSE

RS24699

This bill clarifies the distribution of funding for college and career advising to school districts and public charter schools. The legislation specifies that funding will be distributed in full, or pro rata, based on secondary support units used to calculate the February 15 payment of state funds, based on 33-1009, Idaho Code. The legislation provides funding for districts and charter schools which serve all grades 8-12.

FISCAL NOTE

The legislation clarifies distribution of moneys appropriated by the legislature, a distribution of \$5 million per JFAC.
