

STATEMENT OF PURPOSE

RS24141

This bill amends section 36-1404 to increase the reimbursable damage penalties assessed by magistrates to any person guilty of the illegal killing, illegal possession, or illegal waste of certain species of big game as a further deterrent to these illegal actions. The increases are based upon the CPI from the last time these fines were changed.

FISCAL NOTE

There is no fiscal impact to the General Fund. There would be an estimated increase in the fish and game dedicated fund of up to \$40,000.
