

## STATEMENT OF PURPOSE

### RS24298

It was announced in January, 2016, that the University of Idaho Caine Veterinary Teaching and Research Center, located near Caldwell, Idaho, will be closed by the end of 2016. Idaho Code 36-107(a) requires that one hundred thousand dollars (\$100,000) be transferred annually from the Fish and Game account to the University of Idaho Caine Veterinary Teaching and Research Center "for disease research regarding the interaction of disease between wildlife and domestic livestock." This proposed legislation would redirect these moneys to the University of Idaho College of Agricultural and Life Sciences, Department of Animal and Veterinary Science where this work will now be accomplished.

### FISCAL NOTE

No fiscal impact.
