

## STATEMENT OF PURPOSE

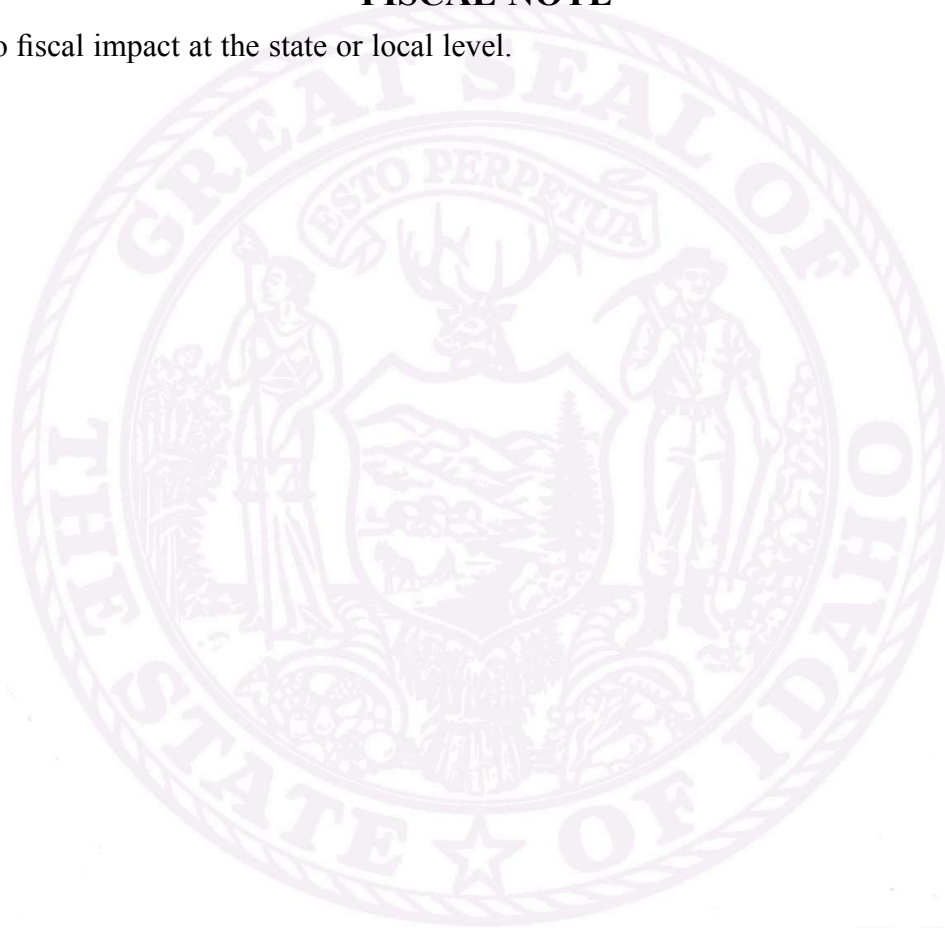

### RS24394

The purpose of this legislation is to modify the requirements for counties electing to conduct early voting. The current statute is limited to counties that count ballots at a central location. This change would also allow counties that use modern polling place based counters to also participate in early voting.

Additionally, this legislation cleans up a reference to the official ballot stamp to reflect the current legislation for official election ballot identification.

### FISCAL NOTE

There is no fiscal impact at the state or local level.
