

STATEMENT OF PURPOSE

RS24297

This legislation authorizes the Secretary of State to develop and implement an on-line voter registration application. In order to register on-line, a person would be required to have an Idaho driver's license or ID card. A digital copy of the signature from the State driver's license would be provided by the Department of Transportation and become a part of the voter registration data-base.

FISCAL NOTE

This legislation is to have an estimated one time development cost of \$258,000.
