Re: House Concurrent Resolution No. 50

The following is a breakdown of the people hours used in the West Ada School District to meet the requirements of Idaho Statute 33-1602 for 2756 current 11th graders at 11 locations. Staff involved in the process include directors, coordinators, teachers, and support staff.

Decision Making	16 hours
Test Writing	20 hours
Transcript Modification	4 hours
Test Formatting & Proofing	10 hours
Printing & Packaging	36 hours
Preparing & Printing Answer Sheets	16 hours
Entering test in scoring system	4 hours
Special Education considerations	8 hours
Distributing Tests & Answer Sheets	8 hours
Scanning & Scoring	3 hours
Data on to Transcripts	2 hours
Establishing System for Retakes & New Students	unknown at this time

These hours are for a test where the items had already been determined. The addition of 25 Idaho History items that need to be written would add time for item writing as well as impacting all other categories as the existing test and system was revised.
