PROFESSIONAL STANDARDS COMMISSION

Mission

The PSC makes recommendations to the State Board of Education and renders decisions that provide Idaho with competent, qualified, ethical educators dedicated to rigorous standards, preK-12 student achievement, and improved professional practice.

CONCEPTUAL FRAMEWORK

GUIDING PRINCIPLES:

1. Expression of Indigenous sovereignty
2. Need to reclaim and revitalize what has been disrupted and displaced by colonization
3. Need for community-based accountability

McCarty & Lee, 2014

ESSENTIAL UNDERSTANDINGS

The Essential Understandings were created for every student educated in Idaho's public school system to learn about the distinct and unique heritages of American Indians in a culturally responsive and accurate manner.
