

Washington State Office of Administrative Hearings

Independent | Very Accessible | Expert

Mission: We independently resolve administrative disputes through accessible, fair, prompt processes and issue sound decisions. *Holding independent, fair hearings since 1982*

Vision:

We offer a convenient, easy to navigate system to request and receive fair, impartial hearings on appeals of government actions. Washingtonians and government agencies trust OAH as the best neutral adjudicative forum to resolve administrative disputes.

History:

The Legislature created OAH in 1981, adopting the recommendation of the Washington State Bar Association Administrative Law Task Force to “*improve the appearance of fairness*” in the administrative hearing process.

The Legislature also intended administrative hearings to be easily accessible for the public: *“Hearings shall be conducted with the greatest degree of informality consistent with fairness and the nature of the proceeding.”*

Why we hold hearings:

So that citizens and businesses who disagree with decisions made by state and some local government agencies have the opportunity to be heard. The Administrative Law Judge presiding over the hearing issues a written order deciding whether to affirm, modify or reverse the agency decision.
