 4 CHANGE IN FOSTER CARE PLACEMENT

5 Be It Enacted by the Legislature of the State of Idaho:

6 SECTION 1. That Section 16-1629, Idaho Code, be, and the same is hereby
 7 amended to read as follows:

8 16-1629. POWERS AND DUTIES OF THE DEPARTMENT. The department, working
 9 in conjunction with the court and other public and private agencies and per-
 10 sons, shall have the primary responsibility to implement the purpose of this
 11 chapter. To this end, the department is empowered and shall have the duty to
 12 do all things reasonably necessary to carry out the purpose of this chapter,
 13 including, but not limited to, the following:

14 (1) The department shall administer treatment programs for the protec-
 15 tion and care of neglected, abused and abandoned children, and in so doing
 16 may place in foster care, shelter care, or other diagnostic, treatment, or
 17 care centers or facilities, children of whom it has been given custody. The
 18 department is to be governed by the standards found in chapter 12, title 39,
 19 Idaho Code.

20 (2) On December 1, the department shall make an annual statistical
 21 report to the governor covering the preceding fiscal year showing the num-
 22 ber and status of persons in its custody and including such other data as
 23 will provide sufficient facts for sound planning in the conservation of
 24 children and youth. All officials and employees of the state and of every
 25 county and city shall furnish the department, upon request, such information
 26 within their knowledge and control as the department deems necessary. Lo-
 27 cal agencies shall report in such uniform format as may be required by the
 28 department.

29 (3) The department shall be required to maintain a central registry for
 30 the reporting of child neglect, abuse and abandonment information. Provided
 31 however, that the department shall not retain any information for this pur-
 32 pose relating to a child, or parent of a child, abandoned pursuant to chapter
 33 82, title 39, Idaho Code.

34 (4) The department shall make periodic evaluation of all persons in its
 35 custody or under its protective supervision for the purpose of determining
 36 whether existing orders and dispositions in individual cases shall be modi-
 37 fied or continued in force. Evaluations may be made as frequently as the de-
 38 partment considers desirable and shall be made with respect to every person
 39 at intervals not exceeding six (6) months. Reports of evaluation made pur-
 40 suant to this section shall be filed with the court that has jurisdiction.
 41 Reports of evaluation shall be provided to persons having full or partial le-
 42 gal or physical custody of a child. Failure of the department to evaluate a

1 person or to reevaluate him within six (6) months of a previous examination
2 shall not of itself entitle the person to a change in disposition but shall
3 entitle him, his parent, guardian or custodian or his counsel to petition the
4 court pursuant to section 16-1622, Idaho Code.

5 (5) In a consultive capacity, the department shall assist communities
6 in the development of constructive programs for the protection, prevention
7 and care of children and youth.

8 (6) The department shall keep written records of investigations, eval-
9 uations, prognoses and all orders concerning disposition or treatment of ev-
10 ery person over whom it has legal custody or under its protective supervi-
11 sion. Department records shall be subject to disclosure according to chap-
12 ter 1, title 74, Idaho Code, unless otherwise ordered by the court, the per-
13 son consents to the disclosure, or disclosure is necessary for the delivery
14 of services to the person. Notwithstanding the provisions restricting dis-
15 closure or the exemptions from disclosure provided in chapter 1, title 74,
16 Idaho Code, all records pertaining to investigations, the rehabilitation of
17 youth, the protection of children, evaluation, treatment and/or disposi-
18 tion records pertaining to the statutory responsibilities of the department
19 shall be disclosed to any duly elected state official carrying out his offi-
20 cial functions.

21 (7) The department shall establish appropriate administrative proce-
22 dures for the processing of complaints of child neglect, abuse and abandon-
23 ment received and for the implementation of the protection, treatment and
24 care of children formally or informally placed in the custody of the depart-
25 ment or under its protective supervision under this chapter including, but
26 not limited to:

27 (a) Department employees whose job duties are related to the child pro-
28 tective services system under this chapter shall first be trained as to
29 their obligations under this chapter regarding the protection of chil-
30 dren whose health and safety may be endangered. The curriculum shall
31 include information regarding their legal duties, how to conduct their
32 work in conformity with the requirements of this chapter, information
33 regarding applicable federal and state laws with regard to the rights
34 of the child, parent and others who may be under investigation under the
35 child protective services system, and the applicable legal and consti-
36 tutional parameters within which they are to conduct their work.

37 (b) Department employees whose job duties are related to the child pro-
38 tective services system shall advise the individual of the complaints
39 or allegations made against the individual at the time of the initial
40 contact, consistent with protecting the identity of the referent.

41 (8) The department having been granted legal custody of a child shall
42 have the right to determine where and with whom the child shall live, pro-
43 vided that the child shall not be placed outside the state without the
44 court's consent. The court shall retain jurisdiction over the child, which
45 jurisdiction shall be entered on any order or petition granting legal cus-
46 tody to the department, and the court shall have jurisdiction over all
47 matters relating to the child. The department shall not place the child in
48 the home from which the court ordered the child removed without first ob-
49 taining the approval of the court. Notwithstanding the provisions of this
50 subsection, all other determinations relating to where and with whom the

1 child shall live shall be subject to judicial review by the court and, when
2 contested by any party, judicial approval.

3 (9) The department shall give to the court any information concerning
4 the child that the court may at any time require, but in any event shall re-
5 port the progress of the child under its custody or under its protective su-
6 pervision at intervals of not to exceed six (6) months. The department shall
7 file with the court at least five (5) days prior to the permanency hearing ei-
8 ther under section 16-1622, Idaho Code, or, in the case of a finding of aggra-
9 vated circumstances, section 16-1620, Idaho Code, the permanency plan and
10 recommendations of the department.

11 (10) The department shall establish appropriate administrative proce-
12 dures for the conduct of administrative reviews and hearings as required by
13 federal statute for all children committed to the department and placed in
14 out of the home care.

15 (11) At any time the department is considering a placement pursuant to
16 this chapter, the department shall make a reasonable effort to place the
17 child in the least restrictive environment to the child and in so doing shall
18 consider, consistent with the best interest and special needs of the child,
19 placement priority of the child in the following order:

20 (a) A fit and willing relative.

21 (b) A fit and willing nonrelative with a significant relationship with
22 the child.

23 (c) Foster parents and other persons licensed in accordance with chap-
24 ter 12, title 39, Idaho Code, with a significant relationship with the
25 child.

26 (d) Foster parents and other persons licensed in accordance with chap-
27 ter 12, title 39, Idaho Code.

28 (12) If the caseworker assigned to a foster care case recommends re-
29 moving the child from a foster home in which the child has been placed for
30 sixty (60) or more days, for placement in another foster home, then the case
31 worker's supervisor shall conduct a review of the foster care case and must
32 approve such recommendation before a change in foster home placement occurs.
33 The supervisor shall consider the best interests and special needs of the
34 child, including:

35 (a) The clearly stated reasons for the recommended change in placement;

36 (b) The number of times the child's placement has been changed since re-
37 moval from their home and the reasons for each change;

38 (c) Whether the child will change schools as a result of the change in
39 placement; and

40 (d) Whether the change in placement will separate or reunite siblings
41 or affect sibling visitation.

42 (13) If the supervisor determines that the recommended change in fos-
43 ter care placement is in the best interests of the child, then the department
44 may change the placement of the child; provided that, the department shall
45 give the foster parents and the court written notice of the planned change at
46 least seven (7) days before the change in placement.

47 (14) If the caseworker determines that there is abuse or neglect or a
48 substantial risk of abuse or neglect in the foster home, then the department
49 may change the placement of the child without a supervisor's review; pro-
50 vided that, the department shall give the foster parents and the court writ-
