

STATEMENT OF PURPOSE

RS24983

This legislation amends the statute to match the Idaho Constitution relating to the qualifications for someone to run for the legislature. The requirement to be a registered elector is currently not specifically spelled out in Idaho Code section 34-614.

FISCAL NOTE

This legislation will have no fiscal impact on the State and local governments because it does not change the process involved in taking a declaration of candidacy from someone seeking to run for the legislature.
