

STATEMENT OF PURPOSE

RS24838

Section 46-714, Idaho Code directs all contracts meeting the threshold amount specified by 67-5711 must have the approval of the Board of Examiners. We want to change this section to declare any contract with state match meeting the threshold amount specified by 67-5711 must have the approval of the Board of Examiners. This would enable us to process 100% federally funded construction projects quicker and in accordance with National Guard Bureau timelines.

FISCAL NOTE

There should be no fiscal impact to the General Fund. However, we would still need spending authority approval.
