

## STATEMENT OF PURPOSE

### RS25024

The wording of the Unattended Motor Vehicle code written in years past prohibits a driver, perhaps unintentionally, from remotely starting a vehicle. The wording also appears to prohibit a driver from starting a vehicle ahead of time to warm up the interior in cold weather. This bill would allow such activities. It also clarifies that the code does not apply to vehicles on private property.

### FISCAL NOTE

There is no fiscal impact to the general fund.
