

STATEMENT OF PURPOSE

RS25098C1

This proposed legislation establishes a needed legal standard simply stating that arbitrarily profiling motorcycle riders is not legal and defines what motorcycle profiling is. Because an individual rides a motorcycle or wears motorcycle paraphernalia does not mean that individual should be more likely to be detained or stopped by law enforcement. Similar laws have been passed in other states with broad support.

FISCAL NOTE

This legislation does not require any action that would have a fiscal impact to the State or local units of government. It changes language in the statute.
