Chairman Perry called the meeting to order at 1:31 pm.

RS 24949: **Morgan Howard**, intern, presented **RS 24949**, proposed legislation which amends Idaho Code to provide a correct statutory reference to the definition of "Project Costs."

MOTION: **Rep. Collins** made a motion to introduce **RS 24949**. **Motion carried by voice vote.**

Chairman Perry turned the gavel over to **Vice Chairman Redman**.

Seth Grigg, Executive Director, Association of Idaho Cities, explained to the Committee the types and roles of city government in Idaho. Of the 200 cities in Idaho, nearly all are governed by a Mayor and Council which are elected by the public. Only three cities use a different model with an elected Council and a hired City Manager. He concluded his presentation by listing four ways the legislature can help cities: funding for transportation needs, fee authority to maintain and operate stormwater infrastructure, protection of municipal water rights and more local economic development tools, including local option sales tax authority for all cities.

Joe Stear, Mayor of the City of Kuna, presented to the Committee several issues his city is dealing with. He thanked the Legislature for the Tax Incentive Program and noted its influence in creating hundred of new jobs in Kuna. He asked that school districts be added to the list of entities allowed to collect impact fees from new construction.

In response to Committee questions, **Mayor Stear** explained the process of annexation to absorb new land into city boundaries.

John Evans, Mayor of Garden City, was the final presenter. He thanked the Legislature for the Urban Renewal Statute and noted Garden City has invested over 7 million dollars through the program. He mentioned three particular issues facing his city: provision of magistrate court services; the Justice Reinvestment Act and its impact on local police departments, noting 60% of Garden City's General Fund budget is spent on police; and mandated but unfunded EPA regulations in cities, leaving cities with no resources beyond property tax payers.

Committee members thanked **Mayor Evans** for his efforts and for providing insight into local issues.

ADJOURN: There being no further business to come before the committee, the meeting adjourned at 2:43 pm.

Chairman Perry called the meeting to order at 1:31 pm.

MOTION: **Rep. Manwaring** made a motion to approve the minutes of the January 30, 2017, meeting. **Motion carried by voice vote.**

Chairman Perry turned the gavel over to **Vice Chairman Redman**.

H 77: **Rep. Amador** presented **H 77**, a correction to Idaho Code regarding public records requests. All references to public records requests have been consolidated into Chapter 74 of Idaho Code.

MOTION: **Rep. Clow** made a motion to send **H 77** to the floor with a **DO PASS** recommendation. **Motion carried by voice vote.**

RS 25006: **Rep. Nate** presented **RS 25006**, proposed legislation which would remove the restriction on city initiative and referendum elections to only be held in odd-numbered years. This change would require cities to hold these elections in even years as well, if requested by citizens, to make them more responsive to citizen concerns and allow citizens greater opportunities to exercise their voices.

In response to Committee questions, **Rep. Nate** indicated both the Secretary of State and legislative liaison with cities had been notified of this proposal. He also stated he had not considered the potential of this RS to change the non-partisan nature of municipal elections, which are specifically held in odd-numbered years.

MOTION: **Rep. Luker** made a motion to introduce **RS 25006**. **Motion carried by voice vote.** **Reps. McCrostie** and **Clow** requested to be recorded as voting **NAY**.

RS 24960C1: **Rep. Nate** presented **RS 24960C1**, proposed legislation that would allow government entities the option of publishing legal notices online on their websites, in lieu of publishing notices in a newspaper. This proposal only gives online publication as an option, not a requirement.

In response to Committee questions, **Rep. Nate** asserted that access to the internet is likely more prolific now than access to a published newspaper and noted county officials he spoke to were very interested in the possibility of online publication as a cost saving measure. Rep. Nate agreed to work to address concerns about the record keeping of online notices and the lack of specific times or duration of postings, before a full hearing.

ORIGINAL MOTION: **Rep. Clow** made a motion to return **RS 24960C1** to the sponsor.

SUBSTITUTE MOTION: **Rep. Giddings** made a substitute motion to introduce **RS 24960C1**.

After discussion regarding the best way to amend the proposal to address concerns, **Rep. Nate** agreed it would be best to return his RS to allow him to make changes.

**MOTION
WITHDRAWN:**

Rep. Giddings withdrew her substitute motion to introduce **RS 24960C1**.

**VOTE ON
ORIGINAL
MOTION:**

Vice Chairman Redman called for a vote on the original motion to return **RS 24960C1** to the sponsor. **Motion carried by voice vote.**

Chairman Perry called the meeting to order at 1:31 pm.
MOTION: **Rep. Manwaring** made a motion to approve the minutes of the February 2, 2017, meeting. **Motion carried by voice vote.**
Chairman Perry reviewed **Joint Rule 18** with the Committee and also reviewed decorum on the floor and in Committee.
RS 25135: **Rep. Malek** presented **RS 25135**, proposed legislation which updates the reporting requirements for the city treasurer to the city council, taking into account the use of computers and allowing the quarterly treasurer's report to be posted on a city's website to satisfy publication requirements.
MOTION: **Rep. Redman** made a motion to introduce **RS 25135**.
In response to Committee questions, **Rep. Malek** stated he did not believe a treasurer would be required to post their reports online and could still create a paper copy, particularly if their city does not have a website.
VOTE ON MOTION: **Chairman Perry** called for a vote on the motion to introduce **RS 25135**. **Motion carried by voice vote.**
RS 25205: **Rep. Erpelding** presented **RS 25205**, a proposed constitutional amendment to lower the constitutional requirements for bonds from local jurisdictions from two-thirds to 60% of voters. He noted jurisdictions, particularly in eastern Idaho, have had a great deal of trouble passing bonds, especially for schools. Idaho is one of only two states in the nation that has a two-thirds requirement for bonds. He noted the proposed legislation lowers the threshold to 60%, which is still a sizeable majority, but not a supermajority. Rep. Erpelding argued the higher the requirement for a vote action, the more power is placed in the hands of a minority of voters who are able to sway the outcome and the best way to support more local control is to lower the required threshold.
MOTION: **Rep. McCrostie** made a motion to introduce **RS 25205**. **Motion carried by voice vote.** **Reps. Luker, Barbieri and Kingsley** requested to be recorded as voting **NAY**.

GUESTS: Jerry Mason, Association of Idaho Cities; Amber Pence, City of Boise; Miguel Legarreta, Associated Taxpayers

Chairman Perry called the meeting to order at 1:32 pm.

MOTION: **Rep. Manwaring** made a motion to approve the minutes of the February 16, 2017, meeting. **Motion carried by voice vote.**

Chairman Perry introduced the Committee's new page, **Rebecca Arreola**. She will be working for the Committee during the second half of the session. Chairman Perry also introduced substitute **Reps. Gill** and **Lohman**.

H 130: **Jerry Mason**, Idaho Association of Cities, presented **H 130**, which updates and streamlines City Treasurer practices. A citizen complaint prompted the realization that a number of cities were not in compliance with statute for their treasurers, which prompted these changes. Treasurers must still produce monthly and quarterly reports, but the quarterly report may now be posted online. The monthly financial report is now required to be included on the city council's agenda, but the deadline for both monthly and quarterly reports have been extended to within 30 days of the end of the month. Receipts are not required to be given for every transaction, nor does the treasurer need to include a statement of all receipts and disbursements in the monthly report, but all credit and debit details must be available to the mayor or city council. Mr. Mason summarized the changes as a modernization of practices to provide public accountability and ensure the city's governing board is informed, while making sure procedures are workable in today's world.

In response to Committee questions, **Mr. Mason** noted there is no language in the bill to regulate compliance, but expressed his confidence the new, streamlined regulations would now be possible to comply with, unlike the previous language. He also stated he had not received any complaints from the newspaper industry regarding the option for online publication of the quarterly report. He noted many cities do not have active websites where the report could be published, so many small newspapers would likely not be affected.

MOTION: **Rep. Redman** made a motion to send **H 130** to the floor with a **DO PASS** recommendation. **Motion carried by voice vote.** **Rep. Malek** will sponsor the bill on the floor.

ADJOURN: There being no further business to come before the committee, the meeting was adjourned at 1:51 pm.

S 1085: **Kelli Brassfield**, Idaho Association of Counties, presented **S 1085**, which standardizes Idaho's open meeting laws. There are contradictory sections in Idaho Code, stating special meetings must have at least 24 hours notice in one section and requiring five days notice in another. Ms. Brassfield noted most counties have regular weekly business meetings and a five day notice period for special meetings would dismiss their usefulness, as well as make it difficult to address sudden issues in a timely manner. The legislation amends Idaho Code to require 24 hours notice for all special meetings, thus ensuring open meetings across the state are consistent.
