I. SALARY

2. No person appointed to the Legislature as a temporary replacement shall receive a salary.

4. In addition to the salary established for each member of the Legislature, the Majority Leaders and Minority Leaders of the Senate and the House of Representatives shall each be paid an additional salary of \$2,000 per year.

3. Each member of the Legislature shall receive a lump sum unvouchered constituent service allowance to be paid annually, on the last pay date preceding the first day of December, for expenses incurred for maintaining the office of the legislator, as follows:
 - (a) Each member of the Legislature shall receive an unvouchered constituent service allowance of \$2,500.
 - (b) Each member of the Legislature whose legislative district is composed of 1,000 square miles or more but less than 2,000 square miles shall receive an additional unvouchered constituent service allowance of \$400. A legislator whose legislative district is composed of 2,000 square miles or more shall receive \$400 plus \$200 for each additional 1,000 square mile increment over 1,000 square miles, as illustrated in the chart on page 4 of this report.
 - (c) If a vacancy has occurred in the office since the adjournment of the last regular session of the Legislature, the \$2,500 allowance shall be prorated between the individuals who have served in the office, using as a base the number of total days of service of each member serving in that office while the Legislature was not in session.

Each member of the Legislature shall be entitled to expense reimbursement for actual travel expenses, including transportation, food and lodging as necessary in a manner consistent with policy for other state officers and employees, for coming to and returning from any organizational, regular or extraordinary session of the Legislature and for each day of an organizational or extraordinary session of the Legislature.
2. Each member of the Legislature whose primary residence is over 50 miles from the Statehouse during a regular session shall be entitled to actual transportation expense reimbursement, which shall not include food and lodging, for not to exceed one round trip weekly between Boise and the member's primary residence during that regular session.
3. During a regular session only, each member of the Legislature whose primary residence is 50 miles or less from the Statehouse in Boise, Idaho, shall be entitled to actual mileage expense reimbursement for a daily round trip from the member's home during that regular session.

During an extraordinary session only, each member of the Legislature whose primary residence is over 50 miles from the Statehouse during a regular session shall be entitled to expense reimbursement for actual travel expense, including transportation, food and lodging as necessary, in a manner consistent with policy for other state officers and employees, for

V. ADDITIONAL BENEFITS: MEDICAL, DENTAL AND LIFE INSURANCE, RETIREMENT AND HONORARIA

1. Medical, dental, and life insurance benefits shall continue as provided for other state employees, and other services, including telephone, postage and stationary, shall continue as provided for the Sixty-Fourth Idaho Legislature.

However, retirement benefits for any legislator elected for the first time after July 1, 2019, shall be calculated in the same manner as any other part-time elected or appointed official's credited service is computed.
3. A legislator filling a legislative position on a state board or commission is authorized to receive payment or honorarium in the same manner as his or her fellow board or commission members. The payment or honorarium may be in addition to the salary established for each member of the Legislature. Provided however, that if the limitations of Idaho Code section 59-102 apply, it shall be unlawful for the legislative member to receive any such payment or honorarium.
