Summary and Stated Reasons for the Rule

Docket No. 08-0104-1801: This rule makes technical corrections to existing language relating to residency requirements for in-state tuition. Specifically, obsolete language is being removed, and the definition of "support" is being revised for clarity.

Docket No. 08-0113-1802: This rule, relating to the Opportunity Scholarship Program, revises application and eligibility requirements to make scholarships available to adult learners (individuals who, though not currently enrolled at a postsecondary institution, have previously earned at least 24 postsecondary credits).

Docket No. 08-0203-1803: This rule exempts high school students who have completed 8 or more credits in mathematics, and who have completed Algebra II or a higher-level mathematics class, from having to take a mathematics class during their senior year. Technical corrections and clarifying language are added to existing rules as well.

Negotiated Rulemaking / Fiscal Impact

Negotiated rulemaking was conducted for all three rules, and none is anticipated to have a negative fiscal impact on the state general fund.
