

STATEMENT OF PURPOSE

RS25867

The purpose of this bill is to provide a legal process to bring checks and balances to all Federal Government action that may be unconstitutional when Article 1 Section 8 or legal amendments is applied to those actions.

There are many Federal Court decisions, Federal laws and executive orders that have been enacted that are not compliant with the original intent of the United States Constitution.

All elected officials and appointed judges are required to take an oath of office to uphold the Constitution.

Our oath of office requires us to uphold the Constitution therefore to have a legal process in statute is the best way we can keep our oath.

FISCAL NOTE

There is no fiscal impact to the General Fund.
