

STATEMENT OF PURPOSE

RS25783

In 2015 the legislature moved the responsibility to print, publish and distribute the session laws from the Secretary of State to the joint publishing committees of the legislature, however, the legislation was left in Chapter 9, Section 67, Idaho Code. This proposed legislation moves the applicable code sections out of Chapter 9 (duties of the Secretary of State) and puts them in Chapter 5 relating to the duties of the legislature.

FISCAL NOTE

There will be no fiscal impact on the state or local governments. The changes simply reassign codes sections.
