

## STATEMENT OF PURPOSE

### RS26047

In 2014, the legislature made amendments to Idaho Code to allow for the employment of Board member spouses under specific circumstances. That legislation contained a sunset clause of July 1, 2018. This legislation has worked well for school districts and charter schools. As such, this legislation removes that sunset clause to make the amendments permanent.

### FISCAL NOTE

There is no fiscal impact to the general fund or school districts and charter schools, as this is just removing a sunset clause.
