

## STATEMENT OF PURPOSE

### RS26100

The Idaho Grape Growers and Wine Commission is a governmental entity of the state of Idaho that receives funding through Idaho's wine tax. This legislation sets forth that the commission may not engage the services of a contract lobbyist. Those services should be obtained by a trade association rather than a government commission funded with tax dollars.

### FISCAL NOTE

There is no impact to the general fund or to any local political subdivision. This legislation is a clarification of current law.
