

IN THE HOUSE OF REPRESENTATIVES

HOUSE BILL NO. 604

BY WAYS AND MEANS COMMITTEE

AN ACT

1  
2 RELATING TO ANNEXATION; AMENDING SECTION 50-222, IDAHO CODE, TO PROVIDE A  
3 REQUIREMENT REGARDING ANNEXATION OF CERTAIN AGRICULTURAL LAND AND TO  
4 MAKE TECHNICAL CORRECTIONS; AND DECLARING AN EMERGENCY AND PROVIDING  
5 RETROACTIVE APPLICATION.

6 Be It Enacted by the Legislature of the State of Idaho:

7 SECTION 1. That Section 50-222, Idaho Code, be, and the same is hereby  
8 amended to read as follows:

9 50-222. ANNEXATION BY CITIES. (1) Legislative intent. The legisla-  
10 ture hereby declares and determines that it is the policy of the state of  
11 Idaho that cities of the state should be able to annex lands which are reason-  
12 ably necessary to assure the orderly development of Idaho's cities in order  
13 to allow efficient and economically viable provision of tax-supported and  
14 fee-supported municipal services, to enable the orderly development of pri-  
15 vate lands which benefit from the cost-effective availability of municipal  
16 services in urbanizing areas and to equitably allocate the costs of public  
17 services in management of development on the urban fringe.

18 (2) General authority. Cities have the authority to annex land into a  
19 city upon compliance with the procedures required in this section. In any  
20 annexation proceeding, all portions of highways lying wholly or partially  
21 within an area to be annexed shall be included within the area annexed unless  
22 expressly agreed between the annexing city and the governing board of the  
23 highway agency providing road maintenance at the time of annexation. Pro-  
24 vided further, that said city council shall not have the power to declare  
25 such land, lots or blocks a part of said city if they will be connected to such  
26 city only by a shoestring or strip of land which comprises a railroad or high-  
27 way right-of-way.

28 (3) Annexation classifications. Annexations shall be classified and  
29 processed according to the standards for each respective category set forth  
30 herein. The three (3) categories of annexation are:

31 (a) Category A: Annexations wherein:

32 (i) All private landowners have consented to annexation. Annex-  
33 ation where all landowners have consented may extend beyond the  
34 city area of impact provided that the land is contiguous to the  
35 city and that the comprehensive plan includes the area of annexa-  
36 tion;

37 (ii) Any residential enclaved lands of less than one hundred (100)  
38 ~~privately-owned~~ privately owned parcels, irrespective of surface  
39 area, which are surrounded on all sides by land within a city or  
40 which are bounded on all sides by lands within a city and by the  
41 boundary of the city's area of impact; or

1 (iii) The lands are those for which owner approval must be given  
2 pursuant to subsection (5) (b) (v) of this section.

3 (b) Category B: Annexations wherein:

4 (i) The subject lands contain less than one hundred (100) sepa-  
5 rate private ownerships and platted lots of record and where not  
6 all such landowners have consented to annexation; or

7 (ii) The subject lands contain more than one hundred (100) sep-  
8 arate private ownerships and platted lots of record and where  
9 landowners owning more than fifty percent (50%) of the area of the  
10 subject private lands have consented to annexation prior to the  
11 commencement of the annexation process; or

12 (iii) The lands are the subject of a development moratorium or a  
13 water or sewer connection restriction imposed by state or local  
14 health or environmental agencies; provided such lands shall not be  
15 counted for purposes of determining the number of separate private  
16 ownerships and platted lots of record aggregated to determine the  
17 appropriate category.

18 (c) Category C: Annexations wherein the subject lands contain more  
19 than one hundred (100) separate private ownerships and platted lots of  
20 record and where landowners owning more than fifty percent (50%) of the  
21 area of the subject private lands have not consented to annexation prior  
22 to commencement of the annexation process.

23 (4) (a) Evidence of consent to annexation. For purposes of this sec-  
24 tion, and unless excepted in paragraph (b) of this subsection ~~(4)~~,  
25 consent to annex shall be valid only when evidenced by written instru-  
26 ment consenting to annexation executed by the owner or the owner's  
27 authorized agent. Written consent to annex lands must be recorded in  
28 the county recorder's office to be binding upon subsequent purchasers,  
29 heirs, or assigns of lands addressed in the consent. Lands need not be  
30 contiguous or adjacent to the city limits at the time the landowner con-  
31 sents to annexation for the property to be subject to a valid consent to  
32 annex; provided however, no annexation of lands shall occur, irrespec-  
33 tive of consent, until such land becomes contiguous or adjacent to such  
34 city.

35 (b) Exceptions to the requirement of written consent to annexation.  
36 The following exceptions apply to the requirement of written consent  
37 to annexation provided for in ~~subsection (4)~~ paragraph (a) of this  
38 subsection:

39 (i) Enclaved lands: In category A annexations, no consent is nec-  
40 essary for enclaved lands meeting the requirements of subsection  
41 (3) (a) (ii) of this section;

42 (ii) Implied consent: In category B and C annexations, valid con-  
43 sent to annex is implied for the area of all lands connected to a  
44 water or wastewater collection system operated by the city if the  
45 connection was requested in writing by the owner, or the owner's  
46 authorized agent, or completed before July 1, 2008.

47 (5) Annexation procedures. Annexation of lands into a city shall fol-  
48 low the procedures applicable to the category of lands as established by this  
49 section. The implementation of any annexation proposal wherein the city

1 council determines that annexation is appropriate shall be concluded with  
2 the passage of an ordinance of annexation.

3 (a) Procedures for category A annexations: Lands lying contiguous or  
4 adjacent to any city in the state of Idaho may be annexed by the city  
5 if the proposed annexation meets the requirements of category A. Upon  
6 determining that a proposed annexation meets such requirements, a city  
7 may initiate the planning and zoning procedures set forth in chapter 65,  
8 title 67, Idaho Code, to establish the comprehensive planning policies,  
9 where necessary, and zoning classification of the lands to be annexed.

10 (b) Procedures for category B annexations: A city may annex lands that  
11 would qualify under the requirements of category B annexation if the  
12 following requirements are met:

13 (i) The lands are contiguous or adjacent to the city and lie  
14 within the city's area of city impact;

15 (ii) The land is laid off into lots or blocks containing not more  
16 than five (5) acres of land each, whether the same shall have been  
17 or shall be laid off, subdivided or platted in accordance with any  
18 statute of this state or otherwise, or whenever the owner or pro-  
19 prietor or any person by or with his authority has sold or begun to  
20 sell off such contiguous or adjacent lands by metes and bounds in  
21 tracts not exceeding five (5) acres, or whenever the land is sur-  
22 rounded by the city. Splits of ownership which occurred prior to  
23 January 1, 1975, and which were the result of placement of public  
24 utilities, public roads or highways, or railroad lines through the  
25 property shall not be considered as evidence of an intent to de-  
26 velop such land and shall not be sufficient evidence that the land  
27 has been laid off or subdivided in lots or blocks. A single sale  
28 after January 1, 1975, of five (5) acres or less to a family mem-  
29 ber of the owner for the purpose of constructing a residence shall  
30 not constitute a sale within the meaning of this section. For pur-  
31 poses of this section, "family member" means a natural person or  
32 the spouse of a natural person who is related to the owner by blood,  
33 adoption or marriage within the first degree of consanguinity;

34 (iii) Preparation and publication of a written annexation plan,  
35 appropriate to the scale of the annexation contemplated, which in-  
36 cludes, at a minimum, the following elements:

37 (A) The manner of providing tax-supported municipal ser-  
38 vices to the lands proposed to be annexed;

39 (B) The changes in taxation and other costs, using examples,  
40 which would result if the subject lands were to be annexed;

41 (C) The means of providing fee-supported municipal ser-  
42 vices, if any, to the lands proposed to be annexed;

43 (D) A brief analysis of the potential effects of annexation  
44 upon other units of local government which currently provide  
45 tax-supported or fee-supported services to the lands pro-  
46 posed to be annexed; and

47 (E) The proposed future land use plan and zoning designation  
48 or designations, subject to public hearing, for the lands  
49 proposed to be annexed;

1 (iv) Compliance with the notice and hearing procedures governing  
2 a zoning district boundary change as set forth in section 67-6511,  
3 Idaho Code, on the question of whether the property should be  
4 annexed and, if annexed, the zoning designation to be applied  
5 thereto; provided however, the initial notice of public hearing  
6 concerning the question of annexation and zoning shall be pub-  
7 lished in the official newspaper of the city and mailed by first  
8 class mail to every property owner with lands included in such  
9 annexation proposal not less than twenty-eight (28) days prior  
10 to the initial public hearing. All public hearing notices shall  
11 establish a time and procedure by which comments concerning the  
12 proposed annexation may be received in writing and heard and,  
13 additionally, public hearing notices delivered by mail shall in-  
14 clude a one (1) page summary of the contents of the city's proposed  
15 annexation plan and shall provide information regarding where the  
16 annexation plan may be obtained without charge by any property  
17 owner whose property would be subject to the annexation proposal.

18 (v) In addition to the standards set forth elsewhere in this sec-  
19 tion, annexation of the following lands must meet the following  
20 requirements:

21 (A) Property, owned by a county or any entity within the  
22 county, that is used as a fairgrounds area under the pro-  
23 visions of chapter 8, title 31, Idaho Code, or chapter 2,  
24 title 22, Idaho Code, must have the consent of a majority of  
25 the board of county commissioners of the county in which the  
26 property lies; and

27 (B) Property, owned by a nongovernmental entity, that is  
28 used to provide outdoor recreational activities to the pub-  
29 lic and that has been designated as a planned unit develop-  
30 ment of fifty (50) acres or more and does not require or uti-  
31 lize any city services must have the express written permis-  
32 sion of the nongovernmental entity owner; and

33 (C) Land actively devoted to agriculture, as defined in sec-  
34 tion 63-604(1), Idaho Code, regardless of whether it is sur-  
35 rounded or bounded on all sides by lands within a city, must  
36 have the express written permission of the owner.

37 (vi) After considering the written and oral comments of property  
38 owners whose land would be annexed and other affected persons,  
39 the city council may proceed with the enactment of an ordinance  
40 of annexation and zoning. In the course of the consideration of  
41 any such ordinance, the city must make express findings, to be set  
42 forth in the minutes of the city council meeting at which the an-  
43 nexation is approved, as follows:

44 (A) The land to be annexed meets the applicable requirements  
45 of this section and does not fall within the exceptions or  
46 conditional exceptions contained in this section;

47 (B) The annexation would be consistent with the public pur-  
48 poses addressed in the annexation plan prepared by the city;

49 (C) The annexation is reasonably necessary for the orderly  
50 development of the city;

1 (vii) Notwithstanding any other provision of this section, rail-  
2 road right-of-way property may be annexed pursuant to this sec-  
3 tion only when property within the city adjoins or will adjoin both  
4 sides of the right-of-way.

5 (c) Procedures for category C annexations: A city may annex lands that  
6 would qualify under the requirements of category C annexation if the  
7 following requirements are met:

8 (i) Compliance with the procedures governing category B annexa-  
9 tions; and

10 (ii) Evidence of consent to annexation based upon the following  
11 procedures:

12 (A) Following completion of all procedures required for  
13 consideration of a category B annexation, but prior to en-  
14 actment of an annexation ordinance and upon an affirmative  
15 action by the city council, the city shall mail notice to  
16 all private landowners owning lands within the area to be  
17 annexed, exclusive of the owners of lands that are subject  
18 to a consent to annex which complies with subsection (4) (a)  
19 of this section defining consent. Such notice shall invite  
20 property owners to give written consent to the annexation,  
21 include a description of how that consent can be made and  
22 where it can be filed, and inform the landowners where the  
23 entire record of the subject annexation may be examined.  
24 Such mailed notice shall also include a legal description of  
25 the lands proposed for annexation and a simple map depicting  
26 the location of the subject lands.

27 (B) Each landowner desiring to consent to the proposed an-  
28 nexation must submit the consent in writing to the city clerk  
29 by a date specified in the notice, which date shall not be  
30 later than forty-five (45) days after the date of the mailing  
31 of such notice.

32 (C) After the date specified in the notice for receipt of  
33 written consent, the city clerk shall compile and present  
34 to the city council a report setting forth: (i) the total  
35 physical area sought to be annexed, and (ii) the total phys-  
36 ical area of the lands, as expressed in acres or square feet,  
37 whose owners have newly consented in writing to the annexa-  
38 tion, plus the area of all lands subject to a prior consent to  
39 annex which complies with subsection (4) (a) of this section  
40 defining consent. The clerk shall immediately report the  
41 results to the city council.

42 (D) Upon receiving such report, the city council shall re-  
43 view the results and may thereafter confirm whether consent  
44 was received from the owners of a majority of the land. The  
45 results of the report shall be reflected in the minutes of  
46 the city council. If the report as accepted by the city coun-  
47 cil confirms that owners of a majority of the land area have  
48 consented to annexation, the city council may enact an ordi-  
49 nance of annexation, which thereafter shall be published and  
50 become effective according to the terms of the ordinance.

1           If the report confirms that owners of a majority of the land  
2           area have not consented to the annexation, the category C  
3           annexation shall not be authorized.

4           (6) The decision of a city council to annex and zone lands as a category  
5           B or category C annexation shall be subject to judicial review in accordance  
6           with the procedures provided in chapter 52, title 67, Idaho Code, and pur-  
7           suant to the standards set forth in section 67-5279, Idaho Code. Any such ap-  
8           peal shall be filed by an affected person in the appropriate district court  
9           no later than twenty-eight (28) days after the date of publication of the an-  
10          nexation ordinance. All cases in which there may arise a question of the va-  
11          lidity of any annexation under this section shall be advanced as a matter of  
12          immediate public interest and concern, and shall be heard by the district  
13          court at the earliest practicable time.

14          (7) Annexation of noncontiguous municipal airfield. A city may annex  
15          land that is not contiguous to the city and is occupied by a municipally owned  
16          or operated airport or landing field. However, a city may not annex any other  
17          land adjacent to such noncontiguous facilities which is not otherwise annex-  
18          able pursuant to this section.

19          SECTION 2. An emergency existing therefor, which emergency is hereby  
20          declared to exist, this act shall be in full force and effect on and after its  
21          passage and approval, and retroactively to January 1, 2016.
