

STATEMENT OF PURPOSE

RS26165C1

The purpose of this resolution is to raise awareness and declare that pornography has reached the level of a public health hazard leading to a broad spectrum of individual and public health impacts. Pornography has shown to adversely impact healthy relationships and can influence abuse of women and children. The resolution encourages education and policies to address the pornographic epidemic that is harming the people of our state and nation. It further encourages all of Idaho's state agencies, local governments and political subdivisions to establish policies, procedure and appropriate technology to prevent access to pornography through their internet connections, whether wired or wireless.

FISCAL NOTE

There is no fiscal impact of this resolution as it establishes no mandatory investment from any state general or dedicated fund, nor from any local government or political subdivision.
