

## STATEMENT OF PURPOSE

### RS26136

This proposal clarifies notices for temporary vacancy of fire commissioner, revises provisions regarding filling a vacancy and provides a procedure to fill positions should all available seats on a fire protection board become vacant. In addition, Section 31-1418 relating to temporary inability of a commissioner will be repealed and Section 56-1018B is amended to authorize the Bureau of Emergency Medical Services to make grants to fire districts.

### FISCAL NOTE

No general funds will be needed as this simply provides authority to local fire districts, county commissioners, and the Bureau of Emergency Medical Services.
