

## STATEMENT OF PURPOSE

### RS26212

This legislation changes the hours required for the practice of dentistry from 1,000 per year for five years to 3,500 over five years. 1,000 hours per year for 5 years does not take into consideration the changing circumstances of age, pregnancy, extended travel, or other life changes which may occur. 3,500 hours over 5 years allows more flexibility for lifestyle changes in the same timeframe.

### FISCAL NOTE

This legislation will have no fiscal impact.
