Chairman Barbieri called the meeting to order at 12:15 p.m.

RS 25884C1: **Pam Eaton**, Idaho Retailers Association, presented **RS 25884C1**. The proposed legislation codifies the traditional joint employer standard of 'direct and immediate control' for purposes of state law. It protects some businesses from certain joint employment claims. Additionally, it provides clarity to state agencies when they are presented with joint employment claims. Existing worker rights are not impacted and the proposed legislation does not limit potential redress of any employment claims an employee may have. Ms. Eaton stated the proposed legislation simply makes clear a franchisee is the owner of the business and the ultimate employer of any individuals who work in that business. A franchisee's employees are not employees of the franchisor.

MOTION: **Rep. Clow** made a motion to introduce **RS 25884C1**. **Motion carried by voice vote.**

RS 26082: **Tim Olson**, Idaho Life and Health Insurance Guaranty Association, presented **RS 26082**. Mr. Olson stated this proposed legislation is intended to incorporate into Idaho Insurance Law newly adopted provisions regarding the assessment formula for costs incurred by the Idaho Life and Health Insurance Guaranty Association for long term care insurance policies of insurance companies that become insolvent.

MOTION: **Rep. Collins** made a motion to introduce **RS 26082**. **Reps. Collins and Dixon** invoked Rule 38 stating a possible conflict of interest. **Motion carried by voice vote.**

RS 26137: **Rep. Palmer** presented **RS 26137**. He stated the intent of this proposed legislation is to amend the Idaho Building Code Act to clarify that local jurisdictions are limited in their authority to adopt residential building codes different from building codes reviewed, amended and adopted by the Idaho Building Code Board.

MOTION: **Rep. Thompson** made a motion to introduce **RS 26137**. **Motion carried by voice vote.**
