*** PLEASE NOTE ***
Per the Idaho Constitution, all administrative rules may be reviewed by the Legislature during the next legislative session. The Legislature has 3 options with this rulemaking docket: 1) Approve the docket in its entirety; 2) Reject the docket in its entirety; or 3) Reject the docket in part.
EFFECTIVE DATE: The effective date of the temporary rules listed in the descriptive summary of this notice is June 30, 2019.

AUTHORITY: In compliance with Sections 67-5221(1) and 67-5226, Idaho Code, notice is hereby given that this agency has adopted temporary rules, and proposed rulemaking procedures have been initiated. The action is authorized pursuant to Section 67-5003, Idaho Code.

PUBLIC HEARING SCHEDULE: Oral comment concerning this rulemaking will be scheduled in accordance with Section 67-5222, Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule and a nontechnical explanation of the substance and purpose of the proposed rulemaking:

This temporary and proposed rulemaking adopts and re-publishes the following existing and previously approved and codified chapters with modification and simplification under IDAPA 15.01, rules of the Idaho Commission on Aging:

IDAPA 15.01
• 15.01.01, Rules Governing Senior Services and Older Americans Act Programs (Formerly Senior Services Programs) – Reordered and simplified
• 15.01.02, Rules Governing Adult Protective Services Programs (Formerly Area Agency Adult Protection Programs) – Reordered and simplified
• 15.01.03, Rules Governing the Ombudsman for the Elderly Program
• 15.01.20, Rules Governing Area Agency on Aging (AAA) Operations – Reordered and simplified
• 15.01.30, Rules Governing the Senior Community Services Employment Program

TEMPORARY RULE JUSTIFICATION: Pursuant to Sections 67-5226(1) and 67-5226(2), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

These temporary rules are necessary to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens. These previously approved and codified rules implement the duly enacted laws of the state of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws. The expiration of these rules without due consideration and processes would undermine the public health, safety and welfare of the citizens of Idaho and deprive them of the benefit intended by these rules. The Idaho Senior Services and Older Americans Act are designed to provide older individuals with the assistance they need to compensate for functional or cognitive limitations with the goal of living safe, dignified, and healthy lives within the community of their choice. In addition, The ICOA is charged by statute to provide Adult Protective Services to ensure the vulnerable adult population in Idaho is protected from abuse, neglect, and exploitation.

FEE SUMMARY: This rulemaking does not impose a fee or charge.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year: This rulemaking is not anticipated to have any fiscal impact on the state general fund because the FY2020 budget has already been set by the Legislature, and approved by the Governor, anticipating the existence of the rules and fees being reauthorized by this rulemaking.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not feasible because of the need to adopt the rules as temporary, and because these existing chapters of IDAPA are being re-published and re-authorized. Negotiated rulemaking also is not feasible because of the need to implement these rules before they expire; the rules form the regulatory framework of the laws of this state and have been previously
promulgated and reviewed by the Legislature pursuant to the Idaho Administrative Procedures Act, Chapter 52, Title 67, Idaho Code; and because engaging in negotiated rulemaking for all previously existing rules will inhibit the agency from carrying out its ability to serve the citizens of Idaho and to protect their health, safety, and welfare.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, incorporated material may be obtained or electronically accessed as provided in the text of the temporary and proposed rules attached hereto.

(4-6-05)

003. ADMINISTRATIVE APPEALS. The ICOA shall provide AAAs with opportunity to appeal administrative decisions related to these rules in accordance with IDAPA 04.11.01, “Idaho Rules of Administrative Procedure of the Attorney General.” (7-1-98)

004. DEFINITIONS.

01. Enrollee. Enrollee, for purposes of the SCSEP, means an individual who is eligible, receives services, and is paid wages for engaging in community service assignments under a project. (7-1-98)

02. Individual Development Plan (IDP). Individual Development Plan means an employability plan for an enrollee which shall include an employment goal, achievement objectives, an appropriate sequence of services for the enrollee based on an assessment conducted by the grantee or subgrantee and jointly agreed upon by the enrollee. (7-1-98)

03. Older Worker Coordinator. Older Worker Coordinator means the staff person who is designated by the subgrantee’s administrator as responsible for direct services provision. (7-1-98)

04. Subgrantee. Subgrantee means the legal entity to which a subgrant is awarded by a grantee and which is accountable to the grantee (or higher tier subgrantee) for the use of the funds provided. (7-1-98)

005. -- 010. (RESERVED)

011. SENIOR COMMUNITY SERVICE EMPLOYMENT PROGRAM (SCSEP). All activities and services shall comply with the requirements of Title V of the OAA of 1965, as amended, the Final Rule Governing the SCSEP (20 CFR 641 and 29 CFR 89), IDAPA 15.01.30, and the Agreement between the ICOA and the subgrantee. (7-1-98)

01. Individual Development Plan (IDP) Related Termination Policy. When an enrollee refuses to accept a minimum of four (4) job referrals or job offers to unsubsidized employment consistent with the enrollee’s IDP, unless otherwise noted in the IDP and allowing for extenuating circumstances, the enrollee may be terminated from the SCSEP. Such a termination shall:

a. Be consistent with the administrative guidelines issued by the U. S. Department of Labor which describe the minimum requirements for IDP-related terminations (20 CFR Part 641.316); (7-1-98)

b. Be subject to the participant appeal rights procedures described in 20 CFR 641.324; and (7-1-98)
c. Be consistent with the IDP Termination policies delineated in the agreement between the ICOA and the subgrantee. (7-1-98)

02. Available Option. The IDP termination is the last option after other measures have failed. All practical steps should be employed to avoid termination of an enrollee based on the IDP. (7-1-98)

03. Need for Adequate Notification. Prior to putting this option into affect, the subgrantee must inform all enrollees of the rules for IDP terminations. These rules must be presented during orientation or, if that is not possible, at an enrollee meeting. The rules must also be contained in the subgrantee’s enrollee handbook or similar document. Enrollees must be given ample time to consider the ramifications of this policy. (7-1-98)

04. Relationship to the IDP. An IDP related termination must be a logical consequence of the agreements established between the enrollee and the subgrantee staff in the jointly signed IDP. The IDP must clearly and accurately reflect the goals of the enrollee. If the enrollee is unable or unwilling to commit to fulfilling the jointly signed IDP agreement, it is essential that this lack of commitment be determined and resolved early in the process. (7-1-98)

05. Consistency of Application. The subgrantee’s rules and procedures must be applied in a fair and consistent manner to all enrollees in a project. (7-1-98)

06. Adequate Internal Procedures. When the enrollee’s actions were not consistent with the IDP, staff must explore the cause in each case. A corrective action notice or letter must be developed and provided to the enrollee in each of these cases, including where a referral is provided but not fulfilled. The notice shall include appropriate response time frames. (7-1-98)

07. IDP Change. Where appropriate, an IDP may be modified to be consistent with a new situation which was not considered in the original IDP. (7-1-98)

08. Documentation. All determinations must specify the basic information relating to the termination. This information must be specific and verifiable. It must include written notice and time frames. (7-1-98)

09. Appeals Process. If an enrollee appeals the IDP-Related Termination decision, the Older Worker Coordinator will elevate the case to the administrator in charge of the local subgrantee’s operations for review. In the event the enrollee disputes the decision of the local administrator, the case will be elevated to the ICOA for resolution. (7-1-98)

012. COORDINATION.
