*** PLEASE NOTE ***

Per the Idaho Constitution, all administrative rules may be reviewed by the Legislature during the next legislative session. The Legislature has 3 options with this rulemaking docket: 1) Approve the docket in its entirety; 2) Reject the docket in its entirety; or 3) Reject the docket in part.
AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Sections 56-1013A and 56-1023, Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than October 16, 2019.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

To best protect the public’s health and safety, the document incorporated in this chapter, “Idaho Emergency Medical Services (EMS) Physician Commission Standards Manual,” is being revised and updated. Edition 2020-1 of this Standards Manual will become effective July 1, 2020. The revision to these rules will ensure that the most recent edition of the manual has the force and effect of law.

FISCAL IMPACT: The following is a specific description, if applicable, of any fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year.

There is no anticipated fiscal impact to the state general fund related to this rulemaking.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not conducted and deemed not feasible because the content of the proposed updates to the EMS Physician Commission Standards Manual already represents extensive input from stakeholders gathered on an ongoing basis throughout the year and at the quarterly meetings of the EMS Physician Commission.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, the “Idaho Emergency Medical Services (EMS) Physician Commission Standards Manual,” Edition 2020-1, is being incorporated by reference into these rules to give it the force and effect of law. This will replace the currently incorporated document, Edition 2019-1. The document is not being published in this chapter of rules due to its length and format, but it is available upon request from Idaho EMS. Once the docket has been finalized and adopted, the manual will be available online at: www.emspc.dhw.idaho.gov.
