IDAPA 24 – BUREAU OF OCCUPATIONAL LICENSES

24.02.01 – RULES OF THE STATE ATHLETIC COMMISSION

DOCKET NO. 24-0201-1900F

NOTICE OF OMNIBUS RULEMAKING – TEMPORARY AND PROPOSED FEE RULEMAKING

EFFECTIVE DATE: The effective date of the temporary rules listed in the descriptive summary of this notice is June 30, 2019.

AUTHORITY: In compliance with Sections 67-5221(1) and 67-5226, Idaho Code, notice is hereby given that this agency has adopted temporary rules, and proposed rulemaking procedures have been initiated. The action is authorized pursuant to Section 54-406, Idaho Code.

PUBLIC HEARING SCHEDULE: Oral comment concerning this rulemaking will be scheduled in accordance with Section 67-5222, Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule and a nontechnical explanation of the substance and purpose of the proposed rulemaking:

This temporary and proposed rulemaking adopts and re-publishes the following existing and previously approved and codified chapters under IDAPA 03.01.01, re-designated as IDAPA 24.02.01, Rules of the State Athletic Commission:

IDAPA 24

- 24.02.01, Rules of the State Athletic Commission — All rules *except Sections/Subsections 010.01, 010.04, 010.05, 010.09, 010.10, 107.03.d., 107.03.f., 112, 150, 305, 315, 316, 412, 414, 701.02, 702.01, 707.02, 707.03, and 906.*

This chapter was formerly designated at *IDAPA 03.01.01*. It has been moved under the administration of the Bureau of Occupational Licenses and is hereby re-designated *IDAPA 24.02.01*.

TEMPORARY RULE JUSTIFICATION: Pursuant to Sections 67-5226(1) and 67-5226(2), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

These temporary rules are necessary to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens. These previously approved and codified rules implement the duly enacted laws of the state of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws. The expiration of these rules without due consideration and processes would undermine the public health, safety, and welfare of the citizens of Idaho and deprive them of the benefit intended by these rules. These rules establish and govern the standards and practices of the Idaho Athletic Commission, which oversees boxing, mixed martial arts, and wrestling contests. Allowing these rules to expire would deny the Commission the ability to sanction permits and admit licensees; and elimination of the standards that protect combatants in sanctioned contests would harm the health, safety, and welfare of combatants.

The fees or charges imposed by the rules is necessary to avoid immediate danger. The fees or charges reauthorized in this rulemaking are currently existing and have been previously promulgated by the agency and reviewed and approved by the Legislature. These fees and charges are part of the dedicated fund portion of the state budget, which makes up a material portion of the FY2020 budget. The FY2020 budget has already been set by the Legislature and passed into law. That budget relies upon the existence of these fees and charges to meet the state's obligations and provide necessary state services. Failing to reauthorize these fee rules would create immediate danger to the state budget, immediate danger to necessary state functions and services, and the immediate danger of a violation of Idaho's constitutional requirement that it balance its budget. Absent the ability to impose the fees outlined in this chapter, the Commission would not be able to remain self-sufficient, contrary to its statutory mandate.

FEE SUMMARY: The preceding section and the attached rules provide a specific description of the fee or charge imposed or increased by this rulemaking. This rulemaking does not impose a fee or charge, or increase a fee or charge, beyond what was previously approved and codified in the prior rules. Fees are established in accordance with Sections 54-406, 54-410, and 54-416, Idaho Code, as follows: application fee for a combatant: \$150; application fee

for a non-combatant: \$150; application fee for a matchmaker: \$250; application fee for a promoter: \$1,000; application fee for a sanction permit: \$200; application fee for a ring official: \$150; annual renewal fee for a combatant: \$150; annual renewal fee for a non-combatant: \$150; annual renewal fee for a matchmaker: \$250; annual renewal fee for a promoter: \$750; and annual renewal for a ring official: \$150.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state General Fund greater than ten thousand dollars (\$10,000) during the fiscal year: This rulemaking is not anticipated to have any fiscal impact on the state General Fund because the FY2020 budget has already been set by the Legislature, and approved by the Governor, anticipating the existence of the rules and fees being reauthorized by this rulemaking.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not feasible because of the need to adopt the rules as temporary, and because these existing chapters of IDAPA are being re-published and re-authorized. Negotiated rulemaking also is not feasible because of the need to implement these rules before they expire; the rules form the regulatory framework of the laws of this state and have been previously promulgated and reviewed by the Legislature pursuant to the Idaho Administrative Procedures Act, Chapter 52, Title 67, Idaho Code; and because engaging in negotiated rulemaking for all previously existing rules will inhibit the agency from carrying out its ability to serve the citizens of Idaho and to protect their health, safety, and welfare.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, incorporated material may be obtained or electronically accessed as provided in the text of the temporary and proposed rules attached hereto.

Anyone may submit written comments regarding the proposed rulemaking. All written comments must be directed to the undersigned and must be delivered within twenty-one (21) days after publication of this Notice in the Idaho Administrative Bulletin. Oral presentation of comments may be requested pursuant to Section 67-5222(2), Idaho Code, and must be delivered to the undersigned within fourteen (14) days of the date of publication of this Notice in the Idaho Administrative Bulletin.

- g.** Hitting with the open glove, the butt of the hand, the wrist or the elbow, and all backhand blows. (3-3-94)
- h.** Purposely going down without being hit. (3-3-94)
- i.** Striking deliberately at that part of the body over the kidneys. (3-3-94)
- j.** Deliberately using the rabbit punch. (3-3-94)
- k.** Jabbing the opponent's eyes with the thumb of the glove. (3-3-94)
- l.** Using abusive language in the ring. (3-3-94)
- m.** Engaging in any unsportsman like trick or action which causes injury to an opponent. (3-3-94)
- n.** Hitting on the break. (3-3-94)
- o.** Hitting after the bell has sounded the end of the round. (3-3-94)
- p.** Hitting an opponent whose head is between and outside of the ropes. (3-3-94)
- q.** Pushing an opponent about the ring or into the ropes. (3-3-94)

713. UNFAIR PRACTICES; DUTIES OF REFEREES (RULE 713).

01. Enforcing the Rules. A referee is responsible for enforcing the rules of the contest. He must not permit unfair practices that may cause injury to a combatant. (5-8-09)

02. Warnings. The referees must warn the combatants whenever they are committing fouls. (5-8-09)

03. Deducting Points. If a combatant persists in committing fouls after he has been warned, the referee will deduct points from him or disqualify him. (5-8-09)

714. FOULS: DEDUCTION FOR POINTS; EFFECT OF CLAIMING LOW BLOW BY OPPONENT (RULE 714).

01. Deducting Points Because of Fouls. If a contestant repeatedly fouls his opponent during a contest or commits any other infraction, the referee may penalize him by deducting a point from his score, whether or not the foul or infraction was intentional. (3-3-94)

02. Notification of Point Deduction. When the referee determines that it is necessary to deduct a point because of a foul or infraction, he shall inform the offender, the scoring table and the judges of the penalty to be assessed. (3-3-94)

03. Deduction of Points in Round Foul Occurs. Any point or points to be deducted for any foul or infraction must be deducted in the round in which the foul or infraction occurred, and may not be deducted from the score of any subsequent round. (3-3-94)

04. Contestant Claiming Low Blow. A contestant may not be declared the winner of a contest on the basis of his claim that his opponent committed a foul by hitting him below the belt. If a contestant falls to the floor of the ring or otherwise indicates that he is unwilling to continue because of a claim of a blow to be a technical knockout in favor of the contestant who is willing to continue. (3-3-94)

715. FOULS: DISQUALIFICATION OF COMBATANT AND WITHHOLDING OF PURSE (RULE 715).

Any combatant guilty of a foul in a contest may be disqualified by the referee and the participant's purse ordered

withheld by the Commission. Disposition of the purse and the penalty to be imposed upon the combatant will be determined by the Commission. (5-8-09)

716. ACCIDENTAL FOULING (RULE 716).

01. Accidental Foul. If a contest is stopped because of an accidental foul, the referee will determine whether the combatant who has been fouled can continue or not. If the combatant's chance of winning has not been seriously jeopardized as a result of a foul, the referee may order the contest continued after a reasonable interval. Before the contest begins again, the referee must inform the Commission of his determination that the foul was accidental. (5-8-09)

02. Contest Stopped Due to Accidental Foul. If the referee determines that the contest may not continue because of an injury suffered as the result of an accidental foul, the bout must be declared a draw if the foul occurs during one-half (1/2) of the total scheduled rounds. (3-26-08)

03. Contest Stopped by Referee. If an injury inflicted by an accidental foul later becomes aggravated by fair blows and the referee orders the contest stopped because of the injury, the outcome must be determined by scoring the completed rounds and the round during which the referee stops the contest. (3-26-08)

717. STOPPING OF CONTEST: INJURY TO COMBATANT (RULE 717).

The referee, in consultation with the ring physician designated by the Commission, will determine whether a contest should be stopped because of an injury to a combatant. (5-8-09)

718. STOPPING OF CONTEST: ONE-SIDED CONTEST; RISK OF INJURY; EXAMINATION BY PHYSICIAN (RULE 718).

01. One-Sided Contested. The referee may stop a contest at any stage if he considers it too one-sided or if either combatant is in such a condition that to continue might subject him to serious injury. (5-8-09)

02. Risk of Injury and Examination by Physician. If a combatant sustains any injury which the referee believes may incapacitate him, the referee must call the physician into the ring to examine the combatant. The physician must give his opinion to the referee before the referee renders his decision in the matter. (5-8-09)

719. STOPPING THE CONTEST: COMBATANT NOT HONESTLY COMPETING (RULE 719).

If the referee decides that a combatant is not honestly competing, he may stop the contest before its scheduled completion, disqualify the combatant and recommend the purse of that combatant be held pending investigation by the Commission. The announcer will then inform the audience that no decision has been rendered. (5-8-09)

720. FAILURE OF COMBATANT TO RESUME (RULE 720).

A combatant must not leave the ring during any one (1) minute rest period between rounds. If any combatant fails or refuses to resume the contest when the bell sounds signaling the commencement of the next round, the referee will award a decision of technical knockout to his opponent as of the round which has last been finished, unless the circumstances indicate to the referee the need for investigation or punitive action, in which event the referee will not give a decision and will recommend the purse or purses of either or both combatants to be withheld. (5-8-09)

721. GLOVES TO BE WIPED BY REFEREE AFTER BOXER FALLS (RULE 721).

Before a boxer may resume boxing after having been knocked or having fallen or slipped to the floor of the ring, the referee shall wipe any accumulated resin from the boxer's gloves with a damp towel or the referee's shirt. (3-3-94)

722. KNOCKDOWN OF COMBATANT; PROCEDURE FOR COUNTING (RULE 722).

01. Knockdown. When a combatant is knocked down, the referee will order the opponent to retire to the farthest neutral corner of the ring, pointing to the corner, and immediately begin the count over the combatant who is down. The referee must audibly announce the passing of the seconds, accompanying the count with motions of his arm, the downward motion indication the end of each second. (5-8-09)

02. Timekeeper. The timekeeper, by effective signaling, will give the referee the correct one (1)

second interval for his count. The referee's count is the official count. Once the referee picks up the count from the timekeeper, the timekeeper will cease counting. No combatant who is knocked down may be allowed to resume boxing until the referee has finished counting to eight (8). The combatant may take the count either on the floor or standing. (5-8-09)

03. Failure of Opponent to Stay in Farthest Neutral Corner. If the opponent fails to stay in the farthest neutral corner, the referee will cease counting until he has returned to his corner and will then go on with the count from the point at which it was interrupted. If the combatant who is down arises during the count, the referee may step between the combatants long enough to assure himself that the combatant just arisen is in condition to continue. If so assured, he will, without loss of time, order both combatants to go on with the contest. During the intervention by the referee the striking of a blow by either combatant may be ruled a foul. (5-8-09)

04. Knock-Out. When a combatant is knocked out, the referee must perform a full ten (10) second count unless, in the judgment of the referee, the safety for the combatant would be jeopardized by such a count. If the combatant who is knocked down is still down when the referee calls the count of ten (10), the referee must wave both arms to indicate that he had been knocked out and must raise the hand of the opponent as the winner. (5-8-09)

05. Both Combatants Down. If both combatants go down at the same time, the count must be continued as long as one (1) is still down. If both combatants remain down until the count of ten (10), the contest must be stopped and the decision is a technical draw. (5-8-09)

06. Combatants Down -- Referee Counting. If a combatant is down as a result of a legal blow at or near the end of a round, the ring official must continue the count. The combatant cannot be saved by the bell. (5-8-09)

07. Knockdown After Bell Has Sounded. If a legal blow struck in the final seconds of a round causes a combatant to go down after the bell has sounded, that knockdown must be regarded as having occurred during the round just ended and the appropriate count must continue into the rest period following the bell. (3-26-08)

08. Three Knockdowns in Same Round. There is no three (3) knockdown limit. (5-8-09)

723. RESUMING COUNT ON BOXER (RULE 723).

If a knockdown occurs before the normal termination of a round and the boxer who is down stands up before the count of ten (10) is reached and then falls down immediately without being struck, the referee shall resume the count where it was left off. (3-3-94)

724. ADJUDICATION OF TECHNICAL KNOCKOUT (RULE 724).

01. Contest Termination. It must be adjudged a technical knockout to the credit of the winner if a contest is terminated because a combatant is: (5-8-09)

- a. Unable to continue; (3-3-94)
- b. Not honestly competing; (3-3-94)
- c. Injured; or (3-3-94)
- d. Disqualified. (3-3-94)

02. Win by Other Than Full Count. A contest which is won by other than a full count of ten (10) or the scoring of the judges must be adjudged a technical knockout to the credit of the winner. (3-3-94)

725. PROCEDURE WHEN COMBATANT IS KNOCKED OUT; PERIOD BEFORE HIS NEXT CONTEST; EXAMINATION IN CASE OF HEAD INJURY (RULE 725).

01. Combatant Who Has Been Knocked Out. A combatant who has been knocked out must be kept in a prone position until he has recovered. Except for the referee or chief second who may remove his mouthpiece, no

one may touch him until the ring physician enters the ring, attends him and issues any instructions to his handlers. (3-26-08)

02. Decision of Technical Knockout Rendered by Referee. If the referee has rendered a decision of technical knockout against a combatant, the participant must be placed on the ill and unavailable list for a period designated by the Commission after consulting the Commission's physician, but that period must not be less than fifteen (15) days. The combatant may not engage in any contact boxing during this period without the approval of the Commission. (3-26-08)

03. Knockout from Blow to Head. If a combatant has been knocked out by a blow to the head, he must be placed on the ill and unavailable list for at least thirty (30) days. Before he is reinstated, he must satisfactorily pass an examination performed with a computerized tomographic scanning device or an electroencephalogram, or both, if the Commission or its physician finds that such an examination is necessary to determine his condition. (3-26-08)

04. Head Injury. Whenever it appears that a combatant may have suffered a head injury, he must undergo such an examination if directed to do so by the Commission or its physician. (3-26-08)

726. WHEN COMBATANT FALLS FROM RING DURING ROUND (RULE 726).

01. Combatant Knocked or Falls from Ring Platform. A combatant who has been knocked or has fallen through the ropes and over the edge of the ring platform during the contest may be helped back by anyone except his seconds or manager, and the referee may allow a reasonable amount of time for the combatant to return to the ring. If the combatant is on the ring platform outside the ropes, he must enter the ring immediately where he may resume the contest or take a count. The referee must start the count as soon as the combatant who had fallen is back in the ring. (5-8-09)

02. Stalling Outside Ropes. If the combatant stalls for time outside the ropes, the referee must start the count without waiting for him to reenter the ring. (5-8-09)

03. Combatant to Neutral Corner. When one (1) combatant has fallen through the ropes, the other combatant must retire to the farthest corner and stay there until ordered to continue the contest by the referee. (5-8-09)

04. Penalty. A combatant who deliberately wrestles or throws an opponent from the ring, or who hits when he is partly out of the ring and is prevented by the ropes from assuming a position of defense, may be penalized. (5-8-09)

727. WHEN A BOXER SHALL BE DEEMED DOWN (RULE 727).

01. Feet Off Floor. A boxer shall be deemed to be down when any part of his body other than his feet is on the floor. (3-3-94)

02. Hanging over Ropes. A boxer shall be deemed to be down when he is hanging over the ropes without the ability to protect himself and he cannot fall to the floor. A referee may count a contestant out if he is on the floor or is being held up by the ropes. (3-3-94)

728. ANNOUNCEMENT OF WINNER OF BOUT (RULE 728).

At the termination of each boxing bout the announcer shall announce the winner and the referee shall raise the winner's hand. (3-29-10)

729. CHANGE OF DECISION IN CONTEST (RULE 729).

The Commission will not change a decision rendered at the end of any contest unless: (3-29-10)

01. Collusion. The Commission determines that there was collusion affecting the result of the contest; (3-3-94)

02. Error in Scoring. The compilation of scorecards of the judges discloses an error which shows that the decision was given to the wrong combatant; or (3-29-10)

03. Error in Interpretation of Rules. As a result of an error in interpreting a provision of this chapter, the referee has rendered an incorrect decision. (3-3-94)

04. Failure of Drug Test. The Commission determines that there was a violation of Section 900. (5-8-09)

730. PHYSICIAN'S REPORT TO COMMISSION AFTER CONTEST (RULE 730).

On the report which the physician designated by the Commission files after a contest, he shall list each case in which the boxer or wrestler: (3-3-94)

01. Injury. Was injured during the contest; or (3-3-94)

02. Applies for Medical Aid. Has applied for medical aid after the contest. (3-3-94)

731. MARTIAL ARTS AND MIXED MARTIAL ARTS (MMA) (RULE 731).

01. Regulation of Marital Arts and MMA. Except to the extent set forth under Rules 731-799, all requirements and the limitations relating to combatants and licenses (as set forth within Title 54, Chapter 4, Idaho Code, and in the remaining rules of the Commission) will apply to all martial arts and MMA contests and exhibitions. Notwithstanding the foregoing, at its sole discretion, the Commission may (by specific reference in the sanctioning permit) allow the use of other requirements and limitations during a particular martial arts contest or exhibition. (5-8-09)

02. Practices, Belt Promotions, and Non-Contact Demonstrations. Martial arts practices, belt promotion testing and demonstrations (as used herein the term demonstrations means displays that do not involve combative contact between combatants or between participants) conducted by martial arts schools are not considered to be boxing. Such practices, testing, and demonstrations are exempt from the licensing requirements of Title 54, Chapter 4, Idaho Code, and persons do not need a license to participate in such practices, testing, and demonstrations. (3-29-10)

03. Licensing Exemption. Martial arts schools that meet the conditions set forth within Section 54-406(3)(b), Idaho Code, may apply to the Commission for exemption from licensing and sanctioning permit requirements relating to exhibitions and contests. (3-29-10)

04. Use of Official Rules for Art. Martial arts contests and exhibitions must be conducted pursuant to the official rules of the particular art. The sponsoring organization or promoter must file a copy of the official rules with the Commission before the Commission will issue a sanctioning permit for the contest or exhibition. (4-6-05)

05. Boxing Gloves. The requirement set forth in Section 54-414, Idaho Code, of wearing boxing gloves applies to kickboxing but will not apply to any other form of martial art unless the use of boxing gloves is required by the official rules of that particular art. Any gloves utilized must be in good condition as approved by the commission. For the main and semi main events gloves must be in new condition and of the same brand for combatants. (5-8-09)

732. MMA EQUIPMENT (RULE 732).

The Commission is the final authority in all equipment matters. The following is a list of required equipment for MMA contests: (5-8-09)

01. Commission Approved Mouthpiece. All combatants are required to wear a mouthpiece during the contest. It is strongly recommended that all combatants have two (2) form fitted mouthpieces available for use in each contest. (5-8-09)

a. To Begin the Round. The round cannot begin if the mouthpiece is not inside the combatant's mouth and set in place. (5-8-09)

b. During the Contest. The mouthpiece must be inside the combatant's mouth and properly set at all times during the contest. (5-8-09)

c. Dislodged Mouthpiece. If the mouthpiece is dislodged during the contest, the referee will wait until the first opportune moment, without interfering with the action, call time out, and have the mouthpiece replaced. (5-8-09)

d. Violations. At the discretion of the referee, points may be deducted or a disqualification rendered in the following situations: (5-8-09)

i. When the mouthpiece is not being properly kept inside of the combatant's mouth; (5-8-09)

ii. When the mouthpiece is purposely spit out; or (5-8-09)

iii. When the corner fails to have the combatant resume competition with the mouthpiece in place or delays in replacing the mouthpiece after it becomes dislodged. (5-8-09)

02. Commission Approved MMA Gloves. (5-8-09)

a. General. The gloves must be examined by the Commission and the referee. If padding in the gloves is found to be misplaced or lumpy, or if any gloves are found to be imperfect, they must be changed before the contest starts. No breaking, roughing or twisting of gloves is permitted. (5-8-09)

b. Weight: Each combatant must wear gloves that are not less than four (4) ounces in weight; (5-8-09)

c. Specifications. Each combatant must wear open finger gloves that have no padding in the palm or fingertip area and that are appropriate in weight for the combatant's hand size. Under no circumstances will a combatant be allowed to wear bag gloves or any other gloves with metal or plastic inserts. (5-8-09)

03. Commission Approved Attire. (5-8-09)

a. Each combatant must wear a foul-proof groin protector. (5-8-09)

b. Each female combatant must wear Commission-approved form fitting breast support protection. Supports may not have brace, metal or hard material of any kind. (5-8-09)

c. For male combatants, no body shirts or pants are allowed. Female combatants must wear fighting shorts and rash guard. (5-8-09)

d. Combatant may only use soft materials to tie hair. (5-8-09)

04. Prohibited Equipment and Attire. (5-8-09)

a. The following equipment and attire are prohibited: (5-8-09)

i. Shoes; (5-8-09)

ii. Facial hair, if determined by the Commission to pose a health, safety or sanitary issue; (5-8-09)

iii. Tar material on any part of the body; (5-8-09)

iv. Henna-type tattoos; (5-8-09)

v. Piercing accessories; and (5-8-09)

vi. Makeup of any kind. (5-8-09)

- b.** Masks, costumes, and props must be approved by the Commission prior to usage. (5-8-09)
- c.** Fingernails and toenails must be cut and trimmed prior to a contest. (5-8-09)

733. FAIR TECHNIQUES AND FOULS IN MMA EVENTS (RULE 733).

01. Fair Techniques. Fair MMA techniques include the use of striking and grappling techniques, either while standing or on the ground, subject to techniques designated by the rules as fouls. (5-8-09)

02. Fouls. The following actions will constitute fouls during any MMA event: (3-29-10)

a. Head-butting or striking with the head in any manner. Any use of the head as a striking instrument whether head to head, head to body or otherwise is illegal. (3-29-10)

b. Eye-gouging by means of fingers, chin, or elbow. Legal strikes or punches that contact the combatant's eye socket are not eye gouging and will be considered legal attacks. (3-29-10)

c. A combatant must recognize that a referee may not be able to physically observe some actions and must make the referee aware if they are being bitten during an exhibition of unarmed combat. (3-29-10)

d. Hair Pulling. A combatant may not grab hold of an opponent's hair in order to control the opponent in any way. (3-29-10)

e. Fishhooking, meaning using the fingers to attack an opponent's mouth, nose, or ears, or stretching the skin to that area. Fishhooking generally is the placing of fingers into the mouth of an opponent and pulling the hands in opposite directions while holding onto the skin of the opponent. (3-29-10)

f. Groin attacks, including striking, grabbing, pinching or twisting the groin area. (3-29-10)

g. Smothering an opponent by cupping a hand over an opponent's mouth and nose. (3-29-10)

h. Elbows thrown from a vertical angle. Elbows thrown from any other angle are legal, except that strikes with the elbow point from any angle are illegal during a contest or exhibition in which an amateur combatant participates. (3-29-10)

i. Knee strikes of any kind to an amateur combatant's head. Further, when any combatant goes to the ground, only knees to the body are allowed. (3-29-10)

j. Strikes to the back of the head. The back of the head is considered from the crown of the head down the centerline of the skull into the spine, with a one (1) inch variance to each side, similar to a mohawk haircut. Strikes that are thrown to areas behind the ears but not within the mohawk limitation are legal strikes. (3-29-10)

k. Hand Chokes. A combatant may not attack an opponent with a choke utilizing only his hand or hands in an attempt to submit an opponent. A common phrase for this type of choke is the "C clamp" choke wherein the thumb is placed on one side of an opponent's neck with the fingers on the opposite side. (3-29-10)

l. Placing one's fingers into an open laceration on an opponent in an attempt to enlarge the cut. A combatant may not place his fingers into an opponent's nose, ears, mouth, or any body cavity. (3-29-10)

m. Small Joint Manipulation. Fingers and toes are small joints. Wrists, ankles, knees, shoulders and elbows are all large joints. (3-29-10)

n. Spine Attacks. Illegal spine attacks include, without limitation, locks, such as the "Twister," and strikes to the spine. (3-29-10)

o. Throat strikes of any kind including, without limitation, grabbing the trachea. (3-29-10)

- i. No directed throat strikes are allowed. A directed attack would include a combatant pulling an opponent's head in a way to open the neck area for a striking attack. Directed throat attacks are not punches that connect during an exchange from the standing position while combatants are engaged in combat. (5-8-09)
- ii. A combatant may not gouge his fingers or thumb into an opponent's neck or trachea in an attempt to submit the opponent. (5-8-09)
- iii. All arm chokes such as the "rear naked," "guillotine" and "bar arm" are legal. (5-8-09)
- p. Skin Clawing. Any attack that targets the combatant's skin by clawing at the skin or attempting to pull or twist the skin to apply pain. (3-29-10)
- q. Kicking the head or groin of a grounded opponent. A grounded opponent is any combatant who has more than just the soles of the feet on the ground. If the referee determines that a combatant would be a grounded combatant, but not solely because the ring ropes or cage fence has held the combatant up from the ground, the referee can instruct the combatants that the combatant held up solely by the cage or ropes is being treated as a grounded combatant. A combatant can be kicked to the body when he is on the ground with any type of legal kick, but may not be kicked in the head or groin. (3-29-10)
- r. Stomping, meaning any type of striking action with the feet wherein the combatant lifts his leg, bending it at the knee, and initiates a striking action with the bottom of the foot or heel. This includes stomping the feet while both combatants are standing. Axe kicks are not stomps. (3-29-10)
- s. Pile-driving an opponent into the mat. (3-29-10)
- i. A pile driver is considered to be any throw wherein a combatant controls an opponent's body by placing the opponent's feet straight up in the air and the head straight down and then forcibly driving the opponent's head into the canvas or flooring material. (5-8-09)
- ii. It should be noted that if a combatant is placed into a submission hold by his opponent and the combatant is capable of elevating his opponent, the combatant may bring his opponent down in any manner because he is not in control of his opponent's body. The combatant who is attempting the submission can either adjust his position or let go of the hold before being slammed to the canvas. It is crucial that referees are properly advised and trained on this and that the combatants fully understand this at the rules meeting. (5-8-09)
- t. Purposely throwing an opponent out of the ring or caged area. A combatant will not intentionally or purposely throw an opponent out of the ring or cage. (3-29-10)
- u. Holding the shorts or gloves of an opponent. A combatant may not control an opponent's movement by holding onto the opponent's shorts or gloves. A combatant may hold onto or grab an opponent's hand as long as the combatant is not controlling the opponent's hand by using only the material of the glove but is actually gripping the hand. It is legal for a combatant to hold onto his own gloves or shorts. (3-29-10)
- v. Engaging in any unsportsmanlike conduct is not allowed. Any type of behavior or conduct observed or heard by the referee that can be considered detrimental or disrespectful towards an opponent or the sport of MMA. This includes, but is not limited to, spitting at an opponent, using abusive language or abusive gestures, etc. (3-29-10)
- w. Holding the ropes or the fence. (3-29-10)
- i. A combatant may put his hands on the fence and push off at any time. A combatant may place his feet onto the cage and have his toes go through the fencing material at any time. If a combatant's fingers go through the cage and he grabs hold of the fence and starts to control either his body position or his opponent's body position, it is an illegal action. A combatant may not grab the ropes or wrap his arms over the ring ropes at any time. (5-8-09)
- ii. If a combatant is caught holding the fence, cage or ring rope material the referee will issue a one-

point (1) deduction from the offending combatant's scorecard. (5-8-09)

iii. If a point deduction for holding the fence occurs, and the fouling combatant ends up in a superior position due to the foul, the combatants will be re-started, standing in a neutral position. (5-8-09)

x. Attacking an opponent on or during the break. A combatant must not engage an opponent in any manner during a time-out or break of action in competition. (3-29-10)

y. Engaging an opponent in any manner while the opponent is under the referee's care or handling. (3-29-10)

z. Failing to follow the referee's instructions. Any deviation or non-compliance may result in the combatant's disqualification. (3-29-10)

aa. Timidity, meaning any action by a combatant that is used to avoid contact with his opponent or to run away from the action of the fight. Timidity, includes, without limitation, intentionally avoiding contact with an opponent or consistently dropping the mouthpiece or faking an injury. The referee may also call timidity on a combatant for attempting to receive time by falsely claiming a foul or injury, for purposely dropping or spitting out his mouthpiece, or for committing any other action designed to stall the contest. (3-29-10)

bb. Interference by the corner, meaning any action or activity by a corner aimed at disrupting the contest or causing an unfair advantage to a combatant. Corners are not allowed to distract the referee or influence the actions of the referee in any manner. (3-29-10)

03. Time Considerations for Fouls. (5-8-09)

a. A combatant who has been struck with a low blow is allowed up to five (5) minutes to recover from the foul and can continue on in the contest if allowed to by the ringside physician. (5-8-09)

i. If the combatant states that they can continue on before the five (5) minute time allotment has expired, then as soon as is practical the referee will restart the contest. (5-8-09)

ii. If the combatant goes over the five (5) minute time allotment, the contest cannot be restarted and must be stopped. The outcome is determined by the round and time in which the contest was stopped. (5-8-09)

b. If a combatant is fouled by a blow that the referee deems illegal, the referee must stop the action and call for time. The referee must take the injured combatant to the ringside physician and have the ringside physician examine the combatant to determine the combatant's ability to continue on in the contest. The ringside physician has up to five (5) minutes to make his determination. If the ringside physician determines that the combatant can continue on in the contest, then as soon as is practical the referee will restart the contest. Unlike the low blow foul, the combatant does not have the five (5) minute time allotment to use at his discretion. (5-8-09)

c. If the referee stops the contest and employs the use of the ringside physician, the ringside physician's examination must not exceed five (5) minutes. If five (5) minutes is exceeded, the contest cannot be re-started and must be stopped. (5-8-09)

d. If the ringside physician deems a combatant unfit to continue, the referee must immediately stop the contest. If the combatant is deemed unfit to continue by the ringside physician and part of the five (5) minute foul time is remaining, the combatant cannot use the remaining time. This will be enforced for all listed fouls, with the exception of a low blow foul. (5-8-09)

04. Intentional Fouling. (5-8-09)

a. When a contest is interrupted due to an injury caused by an intentional foul, the referee, in consultation with the ringside physician, will determine whether the intentionally fouled combatant can continue or not. If it is determined that the intentionally fouled combatant's chance of winning has not been seriously jeopardized as a result of the foul, the referee may order the contest continued after a reasonable interval. A combatant who is

fouled with a low blow has up to five (5) minutes to recover. (3-29-10)

b.
