SJM 104
BY STATE AFFAIRS COMMITTEE
A JOINT MEMORIAL
TO THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the First Regular Session of the Sixty-fifth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the Mountain Home Air Force Base draws its water supply from the Mountain Home Aquifer. The aquifer is over-drafted by about 30,000 acre-feet annually and is declining approximately two feet per year; and

WHEREAS, there are water quality issues in some of the wells that the Mountain Home Air Force Base depends on for its water supply. Of the six main wells that are on the base, only two are safe sources of drinking water and four are contaminated. Of the four contaminated wells, one is high in nitrates and is used strictly for irrigation, and the other three are high in nitrates and perfluorinated compounds; and

WHEREAS, the state, in partnership with the United States Air Force is working on the Mountain Home Air Force Base Sustainable Water Supply Project. The purpose of the project is to provide a sustainable, long-term water supply for the base from the Snake River and to eliminate the base's reliance on the declining Mountain Home Aquifer; and

WHEREAS, the project consists of a pump station at C.J. Strike Reservoir and a 14.4 mile long pipeline to bring Snake River water to the base, as well as construction of a water treatment plant at the base; and

WHEREAS, it is anticipated that the state will build, own, maintain, and operate the pipeline and the pumps and that the United States Air Force will build, operate, and maintain the water treatment plant, as well as anything downstream of the plant; and

WHEREAS, Mountain Home Air Force Base is one of the largest employers in Idaho. According to a 2016 study, the base is responsible for the direct employment of 4,686 personnel, supports an additional 190 jobs in local businesses that directly supply the base's operations, and is responsible for 2,127 jobs supported by the consumer spending of those who are directly and indirectly employed by the base; and

WHEREAS, Mountain Home Air Force Base has been estimated to support the employment of more than 10,500 individuals; and

WHEREAS, Mountain Home Air Force Base generates $462 million in labor income; $797 million in all forms of income including wages, salaries, interest, rent, and profit; and an output of goods and services valued at $965 million; and

WHEREAS, a 2010 Economic Impact Analysis by the United States Air Force, assisted by Boise State University, shows that the estimated annual economic impact from the Mountain Home Air Force Base is approximately $1.02 billion; and

WHEREAS, the State of Idaho and the Department of Commerce recognize that continued economic viability requires taking care of existing business before expanding economic development and attracting new business; and

WHEREAS, it is anticipated that there could be another round of Base Realignment and Closure in the near future; and

WHEREAS, Mountain Home Air Force Base has many strong attributes, such as great airspace, many clear weather days suitable for flying, and low possibility of encroachment around the base; and

WHEREAS, the uncertainty of a dependable water supply necessary for future operation is the only weakness that jeopardizes the future of Mountain Home Air Force Base.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Sixty-fifth Idaho Legislature, the Senate and the House of Representatives concurring therein, that we support the construction of a new pipeline to bring Snake River water to Mountain Home Air Force Base to ensure the long-term viability of the base.

BE IT FURTHER RESOLVED that the Idaho Legislature urges the congressional delegation for the State of Idaho to take any further actions necessary to advance the pipeline project through additional congressional action to authorize construction and provide further Military Construction (MILCON) Funds.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and to the congressional delegation representing the State of Idaho in the Congress of the United States.
