

STATEMENT OF PURPOSE

RS26461

The Idaho Board of Social Work Examiners is proposing legislation to change the licensee designation that Idaho uses for the initial level of licensure from a licensed social worker (LSW) to the uniform, nationwide designation of licensed bachelor social worker (LBSW). This will increase portability of licensure between Idaho and other states.

FISCAL NOTE

There is no impact to the General Fund or the Idaho Bureau of Occupational Licenses' dedicated fund because the proposed legislation will not alter the number of board meetings held each year or require more services be provided to the Idaho Board of Social Work Examiners.
