

STATEMENT OF PURPOSE

RS26678

This legislation amends Title 34, Chapter 4 of Idaho Code by amending language and adding a new subsection with a disclosure requirement for property tax levy election ballot questions. When a taxing district authorizes a levy election, the ballot must include a disclosure statement indicating the estimated average annual cost to a property owner per \$100,000 of property value and the length of time. The county clerk will make the calculation and include the financial information on the disclosure statement on the levy ballot.

FISCAL NOTE

There is no anticipated impact on the general fund. The county clerks will prepare the information for the levy election ballots with existing resources.
