

STATEMENT OF PURPOSE

RS26784C1

This legislation would amend Idaho Code Section 39-1118 and 39-4801. It adds a requirement for daycares and schools that any time they notify parents or guardians about immunization requirements for children, they also provide, at the same time and in the same manner, information about the exemption provision.

FISCAL NOTE

Since notification would occur at the same time and in the same manner as current notifications, any additional cost should be miniscule. Legislative Services reported that specific costs to schools would be undeterminable.
