

STATEMENT OF PURPOSE

RS26846

This legislation restricts persons from serving as a trustee of a hospital taxing district while simultaneously serving on the board of directors for a hospital located within that district. The language allows persons who are currently in this situation to serve out the remainder of their term. There is an emergency clause to capture the upcoming May elections.

FISCAL NOTE

The proposed amendment will have no fiscal impact to the general fund, any other state fund, or local governments because it is only changing requirements for trustee eligibility, which does not affect funding.
