

STATEMENT OF PURPOSE

RS26914

This legislation helps to clarify the Tax Commission's duties in reviewing a taxing district's proposed boundary changes. These duties would be limited to reviewing proposed legal descriptions and total boundary areas that are submitted by a taxing district to ensure they are accurate. If the Tax Commission finds any errors in those legal descriptions or boundary changes, they would then be required to notify the appropriate taxing district within a specific time frame.

FISCAL NOTE

There is no expected fiscal impact for the proposed legislation. The legislation simply clarifies the Tax Commission's duties in reviewing a taxing district's boundary changes.
