

STATEMENT OF PURPOSE

RS26793C1

This legislation repeals the restriction to carry a concealed firearm in Idaho Schools, if one possesses a valid Idaho enhanced concealed carry permit. It requires that the individual have "immediate control" of the firearm. If the individual possesses a valid Idaho enhanced concealed weapons license, he/she would not need permission from a school board. This legislation also does not allow for any school employee to be subjugated to disciplinary action, retaliation, or adverse work conditions for having possession of a firearm.

FISCAL NOTE

This legislation will have no fiscal impact to the state general fund and local governments.
