

STATEMENT OF PURPOSE

RS27159

This is an FY 2020 trailer appropriation bill for the Superintendent of Public Instruction. It addresses the fiscal impact of H93aaS, which amended Idaho Code to allow school districts and charter schools to enter into agreements with nontraditional teacher preparation programs to help recruit, select, train, and retain teachers for hard-to-fill positions. The bill also makes such programs eligible for state funding if they provide matching private dollars and demonstrate that their teachers achieve above-average academic growth from students.

FISCAL NOTE

This bill provides an additional appropriation of \$200,000 in ongoing operating expenditures from the General Fund to the Superintendent of Public Instruction for FY 2020.
