

## STATEMENT OF PURPOSE

### RS26830

Primary Care Providers and Urgent Care Physicians may inquire of patients ages eighteen through forty-five whether they are bone marrow donors and provide information to those patients about bone marrow donation. The Idaho Department of Health and Welfare shall develop and disseminate information regarding bone marrow registration. The Department of Health and Welfare shall promulgate rules to implement this section.

### FISCAL NOTE

Any costs associated with dissemination of related printed educational material, and funding sources, will be determined by the Department of Health and Welfare.
