11:15 AM - 12:15 PM Update on Idaho Content Standards Review

NOTE FROM CO-CHAIRS: During this report, it will be important to discuss Common Core issues that must be resolved. Committee members should be prepared to discuss what those issues are (e.g., math: the use of multiple strategies for solving basic math functions in the lower grades). The standards can be changed, but some politically charged issues could remain if we are not clear about those issues and how to resolve them.
