A committee member may be reappointed to the committee.

(iii) Why the proposed licensing or other regulation is the least restrictive regulation necessary to protect against present, recognizable, and sufficient harm to the health, safety, or welfare of the public to warrant the regulation proposed;

(iv) Why the public cannot be effectively protected by other means;

(v) Whether the overall cost-effectiveness and economic impact of the proposed regulation, including the direct and indirect costs to consumers, will be outweighed by the benefits of the proposed licensing or other regulation;

(vi) Whether the proposed licensing or other regulation will have an unreasonably negative effect on job creation, job retention, or wages in the state or will place unreasonable restrictions on the ability of individuals who seek to practice or who are practicing a given profession or occupation to continue to practice or to find employment; and

(vii) Any other relevant information.

(d) With respect to an application timely received by the legislative services office by May 1:

(i) By August 1, the legislative services office shall submit a report with factual analysis to the committee and the applicant. Such report shall be made available to the public. Such report shall verify the contents of an application and submitted information and address any other related factual matters, but shall not contain a recommendation.

(ii) By October 1, the committee shall review such application and submitted information and the associated report prepared by the legislative services office, along with any other relevant information, and hold a public hearing on such application.

(iii) By November 1, the committee shall prepare a written recommendation as to whether a requested occupation or profession should be licensed in the manner set forth in the application and shall deliver such recommendation to the president pro tempore of the senate and the speaker of the house of representatives for subsequent delivery to the appropriate germane committee chairpersons. Such written recommendation may include nonmandatory suggestions as to how the application, including the proposed legislation, may be improved. An applicant receiving

such suggestions shall be encouraged to follow the recommended suggestions of the committee before offering the legislation for introduction during the next legislative session.
