

Eric Milstead  
Director

# Legislative Services Office

## Idaho State Legislature

---

*Serving Idaho's Citizen Legislature*

July 15, 2020

The following safety-related protocols will be implemented for 2020 interim committee and working group meetings:

- Committee rooms will be configured to allow for social distancing between committee members, staff, and meeting attendees.
- Only committee members, staff, and presenters will be allowed at the podium or at/near the dais.
- It is strongly recommended that meeting attendees wear masks.
- To the extent feasible, Legislative Services staff will participate in committee meetings remotely. Staff will wear masks while in the committee room.
- Hand sanitizer will be available.
- Presentation handouts and other meeting materials will be provided in digital form only unless otherwise requested. Handouts will be made available online.
- When a committee meeting provides for public testimony, LSO will make remote testimony (both phone and video) available so that in-person attendance is not necessary.
