MEMORANDUM

TO: Rules Review Subcommittee of the Senate Resources & Environment Committee and the House Resources & Conservation Committee

FROM: Deputy Division Manager - Katharine Gerrity

DATE: September 16, 2020

SUBJECT: Department of Fish and Game

IDAPA 13.01.04 - Rules Governing Licensing - Proposed Rule (Docket No. 13-0104-2002)

IDAPA 13.01.08 - Rules Governing the Taking of Big Game Animals - Proposed Rule (Docket No. 13-0108-2001)

1. IDAPA 13.01.04 - Rules Governing Licensing

Summary and Stated Reasons for the Rule

The Department of Fish and Game submits notice of proposed rulemaking at IDAPA 13.01.04 - Rules Governing Licensing. According to the department, the rulemaking would change the application period for Landowner Appreciation Program (LAP) controlled hunt tags to May 15 through June 15 rather than the current June 15 through July 15. The department states that moving the application period to an earlier time in the year would provide additional processing time and help ensure that the department can provide timely draw result notification to landowners, especially for hunts beginning in August.

The department also notes that the rulemaking would provide the commission the authority to limit the number of nonresident Disabled American Veterans (DAV) deer and elk tags. The department states that nonresident DAV deer and elk tags are not subject to statewide quotas like other nonresident deer and elk tags (IDAPA 13.01.04.550), and nonresident DAV tags are significantly lower in price than other nonresident tags. The department goes on to provide that the rulemaking proposes to limit discounted tags for nonresident DAVs to 500 deer and 300 elk tags. According to the department, the rulemaking would not restrict the ability of nonresident DAVs to purchase available nonresident general deer and elk tags, with purchase of a discounted nonresident DAV hunting license. This rulemaking would not restrict the ability of nonresident DAVs to purchase discounted nonresident DAV muzzleloader or archery permits, black bear tags or turkey tags. The department notes that nonresident DAV participation in deer and elk hunts has been growing, and this rulemaking would be in concert with other commission actions to manage nonresident participation in general to address hunter congestion. The department goes on to state that from 2016 to 2019, nonresident DAV elk tag sales increased from 910 to 1,682 and nonresident DAV deer tag sales increased from 1,149 to 1,839. The department adds that nonresident DAV deer and elk tags cost \$22.00 and \$38.00, respectively, and it is reasonable to expect continued growth in at least the near term if tags are not limited.

Negotiated Rulemaking / Fiscal Impact

The department states that negotiated rulemaking was conducted. The agency received 482 responses via on-line submissions regarding the proposal to change the application period for Landowner Appreciation Program controlled hunt tags. According to the department, the agency received 1,121 responses via on-line submissions regarding the proposal to provide the commission the authority to limit the number of deer and elk tags available annually to nonresident Disabled American Veterans (DAV) at discounted prices.

The department states that the proposed rule to provide the commission the authority to limit the number of nonresident DAV deer and elk tags would cap potential revenue to the department's Fish and Game fund from sales of these tag types and related nonresident DAV hunting licenses. The department adds that all future year revenue from sales of these tag types would likely be lower than 2019 and 2020 tag sales, unless nonresident DAVs choose to still purchase nonresident DAV hunting licenses and equivalent amount of general tag items that would otherwise be unsold. If nonresident DAVs purchase other nonresident items instead of nonresident DAV tags (once nonresident DAV deer and elk tags sell out), department revenue from license and tag sales to nonresident DAVs could remain neutral or increase.

Statutory Authority

The rulemaking appears to be authorized pursuant to Sections 36-104(b), 36-301, 36-401 through 413, and 36-1101, Idaho Code.

2. IDAPA 13.01.08 - Rules Governing the Taking of Big Game Animals

Summary and Stated Reasons for the Rule

The Department of Fish and Game submits notice of proposed rulemaking at IDAPA 13.01.08 - Rules Governing the Taking of Big Game Animals. According to the department, the proposed rule would establish a one-year wait period for successful antelope controlled hunt applicants to be consistent with one-year wait periods for antlered deer and elk.

Negotiated Rulemaking / Fiscal Impact

Negotiated rulemaking was conducted. According to the department, the agency received 849 responses via on-line submissions during a 21-day comment period.

Statutory Authority

The rulemaking appears to be authorized pursuant to Sections 36-104, 36-105, 36-405, 36-408, 36-409, and 36-1101(a), Idaho Code.

IDAPA 13 – DEPARTMENT OF FISH AND GAME

13.01.04 – RULES GOVERNING LICENSING

DOCKET NO. 13-0104-2002

NOTICE OF RULEMAKING – PROPOSED RULE

AUTHORITY: In compliance with Section 67-5221, Idaho Code, this agency hereby gives notice of proposed rulemaking. The action is authorized by Sections 36-104(b), 36-301, 36-401 through 413, and 36-1101, Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than September 16, 2020.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

1. The rulemaking would change the application period for Landowner Appreciation Program (LAP) controlled hunt tags to May 15 through June 15. Applications for LAP controlled hunt tags are currently accepted from June 15 through July 15. Moving the application period to an earlier time in the year would provide additional processing time and help ensure that the Department can provide timely draw result notification to landowners, especially for hunts beginning in August.

2. This rulemaking would provide the Commission the authority to limit the number of nonresident Disabled American Veterans (DAV) deer and elk tags. Nonresident DAV deer and elk tags are not subject to statewide quotas like other nonresident deer and elk tags (IDAPA 13.01.04.550), and nonresident DAV tags are significantly lower in price than other nonresident tags. The rulemaking proposes to limit discounted tags for nonresident DAVs to 500 deer and 300 elk tags. This rulemaking would not restrict the ability of nonresident DAVs to purchase available nonresident general deer and elk tags, with purchase of a discounted nonresident DAV hunting license. This rulemaking would not also restrict the ability of nonresident DAVs to purchase discounted nonresident DAV muzzleloader or archery permits, black bear tags or turkey tags. Nonresident DAV participation in deer and elk hunts has been growing, and this rulemaking would be in concert with other Commission actions to manage nonresident participation in general to address hunter congestion. From 2016 to 2019, nonresident DAV elk tag sales increased from 910 to 1,682 and nonresident DAV deer tag sales increased from 1,149 to 1,839. Nonresident DAV deer and elk tags cost \$22.00 and \$38.00, respectively, and it is reasonable to expect continued growth in at least the near term if tags are not limited.

FEE SUMMARY: The proposed rules have no associated fees.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year resulting from this rulemaking:

There is no fiscal impact to the state general fund because IDFG licensing fees are managed in a dedicated fund.

1. The proposed rule to change the application period for the Landowner Appreciation Program will have no fiscal impact.

2. The proposed rule to provide the Commission the authority to limit the number of nonresident DAV deer and elk tags would cap potential revenue to the Department's Fish and Game fund from sales of these tag types and related nonresident DAV hunting licenses. All future year revenue from sales of these tag types would likely be lower than 2019 and 2020 tag sales, unless nonresident DAVs choose to still purchase nonresident DAV hunting licenses and equivalent amount of general tag items that would otherwise be unsold. If nonresident DAVs purchase other nonresident items instead of nonresident DAV tags (once nonresident DAV deer and elk tags sell out), Department revenue from license and tag sales to nonresident DAVs could remain neutral or increase.

Descriptive summary of fiscal impact, based on 2019 tag sales:

- Current tag sales framework (unlimited number of nonresident DAV deer and elk tags available):
 - Revenue from 2019 nonresident DAV deer tag sales: 1,839 tags at \$22.00 = \$40,458.
 - Revenue from 2019 nonresident DAV elk tag sales: 1,682 tags at \$38.00 = \$63,916.
 - Total 2019 nonresident DAV deer and elk tag sales = \$104,374.
- Proposed tag sales framework (restricted number of discounted deer and elk tags available):
 - Revenue from sale of 500 nonresident deer tag sales = 500 tags at \$22.00 = \$11,000.
 - Revenue from sale of 300 nonresident elk tag sales = 300 tags at \$38.00 = \$11,400
 - Total revenue = \$22,400
- Potential revenue reduction from above:
 - \$104,374 - \$22,400 = (\$81,974).
- Revenue neutral example of estimated revenue from the sale of 90 deer and 80 elk tags to nonresident DAV's at regular nonresident prices (once the discounted 500 deer and 300 elk tags sell out):
 - 90 deer tags: 90 tags at \$350.00 = \$31,500
 - 80 elk tags: 80 tags at \$650.00 = \$52,000
 - Total Revenue = \$83,500
- Net impact from above example:
 - (\$81,974) + \$83,500 = \$1,526 or roughly revenue neutral.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220, Idaho Code, a Notice of Intent to Promulgate Rules - Negotiated Rulemaking was published in the June 3, 2020 Idaho Administrative Bulletin, [Vol. 20-6, page 28](#). This Notice identified the opportunity to provide rulemaking input during a 21-day comment period. The agency received 482 responses via on-line submissions regarding the proposal to change the application period for Landowner Appreciation Program controlled hunt tags. The agency received 1,121 responses via on-line submissions regarding the proposal to provide the Commission the authority to limit the number of deer and elk tags made available annually to nonresident Disabled American Veterans (DAV) at discounted prices. The Notice also identified the opportunity for people to express interest in participating in negotiated rulemaking meetings. No commenter stated interest in negotiated rulemaking meetings. Before advancing proposed rules, the agency provided an opportunity for in-person comment at a public hearing held during the quarterly meeting of the Commission in Idaho Falls on July 22, 2020. Pursuant to Section 67-5221, Idaho Code, the agency proceeded with proposed rulemaking.
