7TH ORDER
Motions, Memorials, and Resolutions

HOUSE CONCURRENT RESOLUTION NO. 33
BY HEALTH AND WELFARE COMMITTEE

A CONCURRENT RESOLUTION
STATING FINDINGS OF THE LEGISLATURE, RECOGNIZING MISSING AND MURDERED INDIGENOUS PERSONS AS A CRISIS IN IDAHO, RECOGNIZING AND DESIGNATING MAY 5 AS A DAY OF AWARENESS FOR MISSING AND MURDERED INDIGENOUS PERSONS, AND SUPPORTING EFFORTS TO FURTHER INVESTIGATE RATES OF INCIDENCE, UNDERLYING CAUSES, AND POSSIBLE SOLUTIONS THROUGH COLLABORATIVE EFFORTS.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, according to the United States Department of Justice, indigenous, American Indian, and Alaska Native women face alarming levels of violence, including domestic and sexual violence, and experience murder rates that are greater than ten times the national average, while Native men are 1.3 times more likely to experience violence than non-Hispanic white men; and

WHEREAS, according to the Centers for Disease Control and Prevention, homicide is the third leading cause of death among indigenous, American Indian, and Alaska Native women between ten and 24 years of age and the fifth leading cause of death for indigenous, American Indian, and Alaska Native women between 25 and 34 years of age; and

WHEREAS, more than 175 tribal, state, regional, and national organizations have already joined with the National Indigenous Women's Resource Center in support of the resolution to create a national day of awareness for missing Native women and girls; and

WHEREAS, on May 2, 2019, the United States Senate designated May 5, 2019, as the "National Day of Awareness for Missing and Murdered Native Women and Girls," and on May 3, 2019, President Donald J. Trump proclaimed May 5, 2019, as "Missing and Murdered American Indians and Alaska Natives Awareness Day" and called upon "Americans and all Federal, State, tribal and local governments to increase awareness of the crisis of missing and murdered American Indians and Alaska Natives through appropriate programs and activities."

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixty-fifth Idaho Legislature,
the House of Representatives and the Senate concurring therein, that the Legislature recognizes and designates May 5 as a Day of Awareness for Missing and Murdered Indigenous People.

BE IT FURTHER RESOLVED that the Legislature does hereby resolve to call upon the Governor of the State of Idaho, the United States Justice Department, and the five federally recognized tribes in Idaho to, on a collaborative basis, pursue and participate in research efforts to provide information related to the crisis of missing and murdered indigenous persons.

BE IT FURTHER RESOLVED that the Legislature does hereby resolve to raise awareness and advocate for increased safety for indigenous Native communities by addressing the crisis of missing and murdered indigenous people through collaboration with the United States attorney for the District of Idaho, the Idaho State Police, the tribes, local law enforcement agencies, the Federal Bureau of Investigation, the Idaho Council on Domestic Violence, the Idaho Coalition Against Sexual and Domestic Violence, and other appropriate partners, including through actions such as:

1. Reviewing, revising, and creating law enforcement and justice recommendations appropriate to missing indigenous Native American people, including inter-jurisdictional issues;
2. Providing recommendations for increased victim services to the families and community members of the missing or murdered indigenous Native American people, such as counseling for the children of the disappeared, burial assistance, and community walks and healing ceremonies;
3. Providing recommendations on methods for better coordination of efforts between governmental and nongovernmental organizations and agencies to share information;
4. Providing recommendations on methods to improve coordination, consultation, and development of protocols between Idaho's federally recognized tribes and federal, state, and local governments to decrease response time and improve investigations into cases of disappeared or murdered indigenous people;
5. Providing recommendations on additional data needs, including definitions, methodology, funding, and management of data that is sufficient to track the missing and murdered people of Idaho's tribes; and
6. Developing recommendations on public outreach services to tribal communities to bring awareness and develop preventive measures regarding issues related to missing and murdered indigenous people.

BE IT FURTHER RESOLVED that the Legislature does hereby honor the lives of all missing and murdered indigenous people and reaffirms its commitment to protecting the safety and wellbeing of all Idahoans, especially those most vulnerable.

WHEREAS, in 2017, more than 47,000 Americans died from an opioid overdose, representing almost 70% of drug overdose deaths; and

WHEREAS, drug overdose is now the leading cause of accidental death in the United States; and

WHEREAS, as of 2017, it was estimated that 1.7 million Americans have substance use disorders relating to prescription opioids; and

WHEREAS, rural areas have been disproportionately affected by the opioid crisis, with the rate of overdose deaths increasing 325% since 1999, compared to a 198% increase for urban areas; and

WHEREAS, in 2017, 70.3 opioid prescriptions were written for every 100 persons in Idaho; and

WHEREAS, research shows that medication-assisted treatment (MAT) is more effective for treating people with opioid use disorder than non-MAT methods; and

WHEREAS, MAT is most successful when used as an element in “whole person treatment,” which also includes appropriate behavioral health interventions such as cognitive behavioral therapy; and

WHEREAS, buprenorphine (Suboxone) is one medication approved for use in MAT; and

WHEREAS, despite the efficacy of MAT, only a third of those with opioid use disorder have access to this kind of treatment; and

WHEREAS, one reason for the lack of access to MAT is the common misconception that drug addiction is best treated using methods other than medication, even though brain chemistry is often altered by the misuse of opioids and can require medication intervention; and

WHEREAS, another critical reason for the lack of access to MAT is a federal law limiting the authority to prescribe buprenorphine. Currently, only about 5% of physicians in the United States, and 414 practitioners in Idaho, may prescribe buprenorphine, many of whom do not practice in rural areas; and

WHEREAS, the number of health care practitioners currently able to prescribe buprenorphine is not sufficient to reach everyone who would benefit from this treatment; and

WHEREAS, it is the belief of the Legislature that any practitioner who may legally prescribe opioids should also be able to prescribe medication treatment for opioid use disorder, because the treatment should be as available as the problem is widespread.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixty-fifth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Congress of the United States is requested to take action necessary to make buprenorphine accessible to the patients who need it. Congress is specifically requested to amend 21 U.S.C. 823 and other provisions of federal law as necessary to provide that any health care practitioner with authority to prescribe opioids should likewise have the authority to prescribe drugs or combinations of drugs appropriate for use in medication-assisted therapy, including buprenorphine.

WHEREAS, the United States Federal Congress and the State of Idaho Legislature are hereby requested to sponsor and support the legislation necessary to make these amendments.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and to the congressional delegation representing the State of Idaho in the Congress of the United States.
HCR 33 and HJM 13 were introduced, read the first time by title, and referred to the Judiciary, Rules, and Administration Committee for printing.
