WHEREAS, air travel, ranging from single-engine charters accessing backcountry areas to commercial airline services connecting population centers, has provided essential services and economic benefits to the citizens of Idaho for more than seventy years; and

WHEREAS, Idaho is one of the fastest growing states in the nation and yet, as the seventh least-densely populated, faces significant challenges with respect to connecting its growing population and economic centers to each other; and

WHEREAS, commercial airline services that have historically connected the population centers of Idaho to each other have either completely stopped or have greatly reduced their services for various reasons, including changes in airline industry business models and federal regulations; and

WHEREAS, today, commercial airline service between Idaho's population centers uses routes that take passengers outside the State of Idaho, resulting in a decrease in intrastate commerce and an increase in travel time and expense for Idaho citizens as well as economic loss to the state; and

WHEREAS, coordinated efforts between the state, local communities, and industry to improve commercial air service in Idaho are essential to the recruitment, retention, and growth of businesses, research institutions, and higher education in the State of Idaho.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixty-fifth Idaho Legislature, the Senate and the House of Representatives concurring therein, that the Legislative Council is authorized to appoint a committee to undertake and complete a study of intrastate commercial air service in the State of Idaho and to develop a long-term, viable strategy for sustainable intrastate commercial air service in the state. The committee shall be composed of one voting member to be appointed by the President Pro Tempore of the Senate and one voting member to be appointed by the Speaker of the House of Representatives to serve as cochairs of the committee.

BE IT FURTHER RESOLVED that nine (9) nonlegislative voting members shall be appointed by the cochairs of the committee. Appointments to the committee shall include, to the extent practicable, one (1) member of the Idaho Transportation Department, three (3) members of the Idaho business community, two (2) public members, one (1) member from the commercial airline industry, and two (2) members who are Idaho airport directors. To the extent practicable, these appointments shall include representation from each county served by an airport with commercial air service. Nonlegislative members of the committee shall not be reimbursed from legislative funds for per diem, mileage, or other expenses.

BE IT FURTHER RESOLVED that the committee is also authorized to retain the services of a consultant or analyst, with the prior approval of the President Pro Tempore of the Senate and the Speaker of the House of Representatives, who is familiar with commercial airline service and who can provide necessary economic or other research that can assist the committee and the Legislature in making an informed decision on this important topic.

BE IT FURTHER RESOLVED that the committee shall report its findings, recommendations, and proposed legislation, if any, to the First Regular Session of the Sixty-sixth Idaho Legislature.

SCR 125 was introduced, read at length, and referred to the Judiciary and Rules Committee for printing.

The Senate advanced to the Sixth Order of Business.
