A CONCURRENT RESOLUTION
STATING FINDINGS OF THE LEGISLATURE AND DECLARING ITS SUPPORT FOR THE IDAHO DEPARTMENT OF FISH AND GAME AND OTHER AGENCIES TO INCREASE EFFORTS TO BETTER UNDERSTAND THE ISSUES THAT ARE CONTRIBUTING TO THE DECLINE OF IDAHO'S BIRD POPULATIONS AND THE IMPLICATIONS OF THIS DECLINE AND TO IDENTIFY OPPORTUNITIES TO RESTORE HEALTHY WILD BIRD POPULATIONS.

Be It Resolved by the Legislature of the State of Idaho:
WHEREAS, Idaho’s state policy is to preserve and perpetuate wildlife for the benefit of current and future generations; and
WHEREAS, Idaho has robust bird diversity with over 400 different species of birds; and
WHEREAS, recently published research has indicated that overall North American bird populations have declined by 30% since 1970; and
WHEREAS, the reasons for this decline are not well understood; and
WHEREAS, birds provide ecosystem services, such as pollination and seed dispersal services, insect control, and reduction of rodent populations, and are a vital part of Idaho’s ecosystems; and
WHEREAS, robust bird populations reduce numbers of crop-harming insects that could otherwise threaten Idaho’s agricultural economy; and
WHEREAS, healthy waterfowl and upland game bird populations contribute to Idaho’s hunting heritage, and sportsmen are reliant upon healthy bird populations; and
WHEREAS, a 2018 report on economic impacts from bird hunting and birdwatching on lands managed by the Bureau of Land Management found that 172,937 upland bird hunters contributed $18,211,000 to Idaho’s economy; 52,950 waterfowl hunters contributed $4,001,000; and 615,495 wildlife watchers contributed $29,296,000; and
WHEREAS, the economic benefits from bird-watching and bird hunting support rural economies; and
WHEREAS, over 400,000 Idahoans, along with over 79,000 out-of-state visitors, engage in bird-watching and birding tourism and enjoy over 2,000 miles of designated birding trails at more than 175 different designated sites in Idaho; and
WHEREAS, Idaho has a legacy of being at the forefront of bird research and conservation, including the Morley Nelson Snake River Birds of Prey National Conservation Area, the World Center for Birds of Prey, the Intermountain Bird Observatory, the Boise State University Raptor Research Center, and the University of Idaho's College of Natural Resources; and
WHEREAS, population growth in Idaho is continuing to impact natural habitat areas, with a population increase of at least 151% since 1970; and
WHEREAS, research has shown that some Idaho wetlands are becoming drier and saltier, making them less conducive habitats for raising and rearing nestlings; and
WHEREAS, Chapter 1, Title 36, Idaho Code, ensures the Idaho Department of Fish and Game protects all wild animals, including wild birds, and that these animals are the property of the State of Idaho and will be preserved, protected, perpetuated, and managed for present and future generations.
NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixty-fifth Idaho Legislature, the Senate and the House of Representatives concurring therein, that the Legislature declares its support for the Idaho Department of Fish and Game and other agencies to increase efforts to better understand the issues that are contributing to the decline of Idaho’s bird populations and the implications of this decline and to identify opportunities to restore healthy wild bird populations.

SCR 131
BY JUDICIARY AND RULES COMMITTEE
A CONCURRENT RESOLUTION
STATING FINDINGS OF THE LEGISLATURE AND REQUESTING THAT THE IDAHO BUILDING CODE BOARD EXPLORE THE ADOPTION OF ELECTRIC VEHICLE-READY MULTIFAMILY AND COMMERCIAL BUILDING CODES.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, the market and associated economic opportunity for electric vehicles is advancing at an accelerating rate; and
WHEREAS, Idaho currently imports nearly 100% of our transportation fuel, draining roughly $3 billion from our economy and exposing Idahoans to supply disruptions and price fluctuations; and
WHEREAS, Idaho is one of eight western states that have signed onto the voluntary Regional Vehicle Plan for the West ("REV West Plan"), that includes recommendations to incorporate charging infrastructure into planning efforts; and
WHEREAS, electric vehicles can be powered by cleaner energy with much of it produced in Idaho, including from hydropower, biomass, wind, and solar resources; and
WHEREAS, Idaho's utility companies are forecasting and planning for more electric vehicles in Idaho over the coming decades; and
WHEREAS, Idahoans who own electric vehicles experience lower fuel and maintenance costs; and
WHEREAS, low to zero-emission electric vehicles fueled with cleaner energy produced in our state protect public health; and
WHEREAS, an increasing number of automakers are marketing and designing a wider range of electric vehicle options; and
WHEREAS, nearly every major automaker is planning future fleets that will be largely, if not entirely, powered by electricity; and
WHEREAS, residents of multifamily housing do not have the opportunity to install infrastructure to charge their electric vehicles, creating barriers to electric vehicle ownership due to the lack of access to charging infrastructure; and
WHEREAS, electric vehicle charging infrastructure sited at workplaces maximizes efficient use of electric utility infrastructure during off-peak hours; and
WHEREAS, an electric vehicle-capable parking space is defined as a designated space with an appropriately sized conduit, circuit, breaker, and panelboard designed to accommodate future electrical wiring and final installation; and
WHEREAS, the estimated cost of incorporating building designs that include electric vehicle-capable parking spaces ranges from $280 to $760 per parking space, compared to $7,000 to $8,000 per parking space for a later retrofit; and
WHEREAS, Chapter 41, Title 39, Idaho Code, establishes the Idaho Building Code Board to study, adopt, and enforce codes, standards, and rules relating to the construction of buildings or facilities and to establish consistent standards for the performance and energy efficiency of those structures.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixty-fifth Idaho Legislature, the Senate and the House of Representatives concurring therein, that the Legislature declares its support for the Idaho Building Code Board to consider the adoption of electric vehicle-capable building codes for multifamily residential dwellings and commercial buildings during future revisions to the Idaho state building codes and International Residential Code.

SCR 133
BY HEALTH AND WELFARE COMMITTEE
A CONCURRENT RESOLUTION
STATING FINDINGS OF THE LEGISLATURE, EXPRESSING SUPPORT FOR MILITARY AND VETERAN CAREGIVERS, AND PROCLAIMING MAY AS HIDDEN HEROES MONTH IN IDAHO.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, the series of wars in which our nation has been engaged since World War II has resulted in 5.5 million military and veteran caregivers, who are parents, spouses, siblings, and friends, caring for the wounded, ill, or injured American heroes who have served our nation; and

WHEREAS, the daily tasks of these military and veteran caregivers can include bathing, feeding, and dressing wounded warriors, caring for their grievous injuries, administering medications, providing emotional support, providing full medical support, caring for the family and the home, and working outside the home to earn essential income; and

WHEREAS, the nation provides multifaceted support to our wounded, ill, and injured veterans and service members through public, private, and philanthropic resources; and

WHEREAS, most military and veteran caregivers consider the challenging work they do as simply carrying out their civic and patriotic duties, without realizing that they are, in fact, caregivers, and do not identify themselves as such; and

WHEREAS, according to research conducted by the Elizabeth Dole Foundation, an alarming number of military and veteran caregivers are suffering numerous debilitating mental, physical, and emotional effects as a result of their caregiving duties.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixty-fifth Idaho Legislature, the Senate and the House of Representatives concurring therein, that we support the residents of Idaho who are serving in vital military and veteran caregiving roles, encourage all who care for and support veterans and service members to also extend support to their caregivers, and proclaim the month of May 2020, and each month of May thereafter, as Hidden Heroes Month in conjunction with Military Appreciation Month.

SCR 132 and SCR 133 were introduced, read at length, and referred to the Judiciary and Rules Committee for printing.

On request by Senator Winder, granted by unanimous consent, the Senate advanced to the Fifteenth Order of Business.
