

STATEMENT OF PURPOSE

RS27501 / H0411

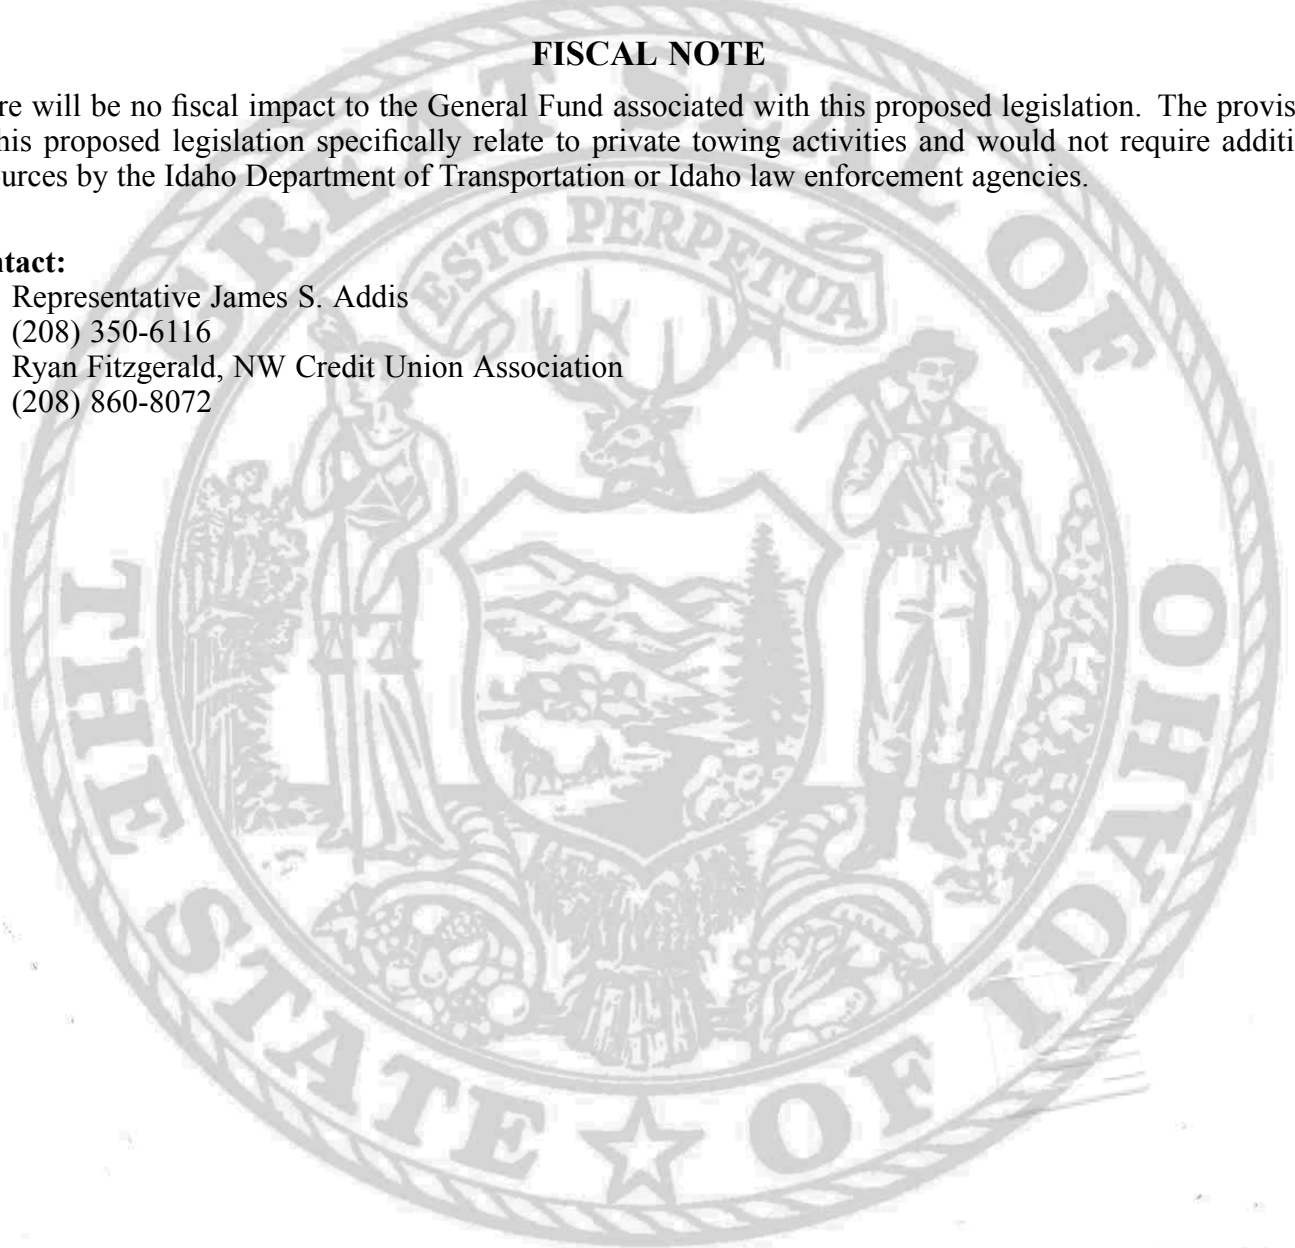

The purpose of this legislation is to provide timely notification to lienholders when a vehicle has been towed from private or posted property, stored or impounded, and not recovered by the vehicle owner within seventy-two (72) hours, excluding weekends and holidays. The notice provided in the legislation will enable the lienholder to work proactively with the owner to resolve payment to recover the vehicle or to reclaim the vehicle directly to ensure overly burdensome fees are not incurred and imposed on the vehicle, which can decrease the vehicle's value and potentially cause a complete loss to the lienholder.

FISCAL NOTE

There will be no fiscal impact to the General Fund associated with this proposed legislation. The provisions of this proposed legislation specifically relate to private towing activities and would not require additional resources by the Idaho Department of Transportation or Idaho law enforcement agencies.
