

STATEMENT OF PURPOSE

RS27563 / H0433

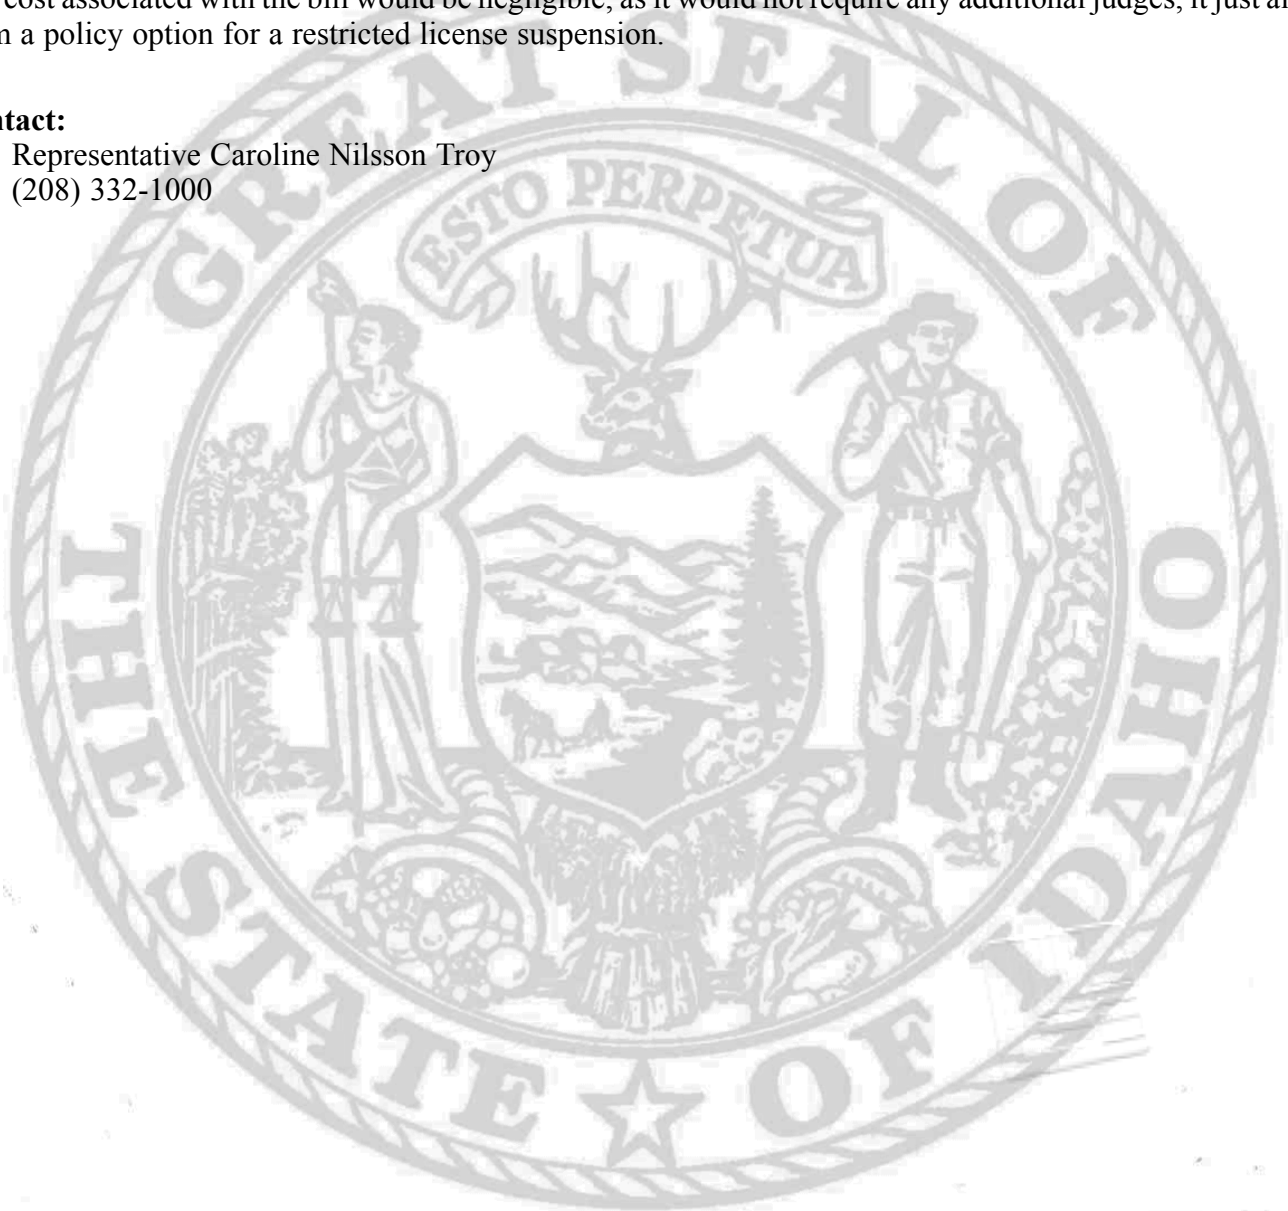

This legislation adds a new section of code, that allows a citizen who has lost his driver's license because of non-payment of child support to petition the courts and show good cause to be granted a temporary restricted license in order to maintain or secure employment.

FISCAL NOTE

This legislation has no fiscal impact to the general fund, or other state funds, or any local government budgets. The cost associated with the bill would be negligible, as it would not require any additional judges, it just allows them a policy option for a restricted license suspension.
