

## STATEMENT OF PURPOSE

RS27288 / H0478

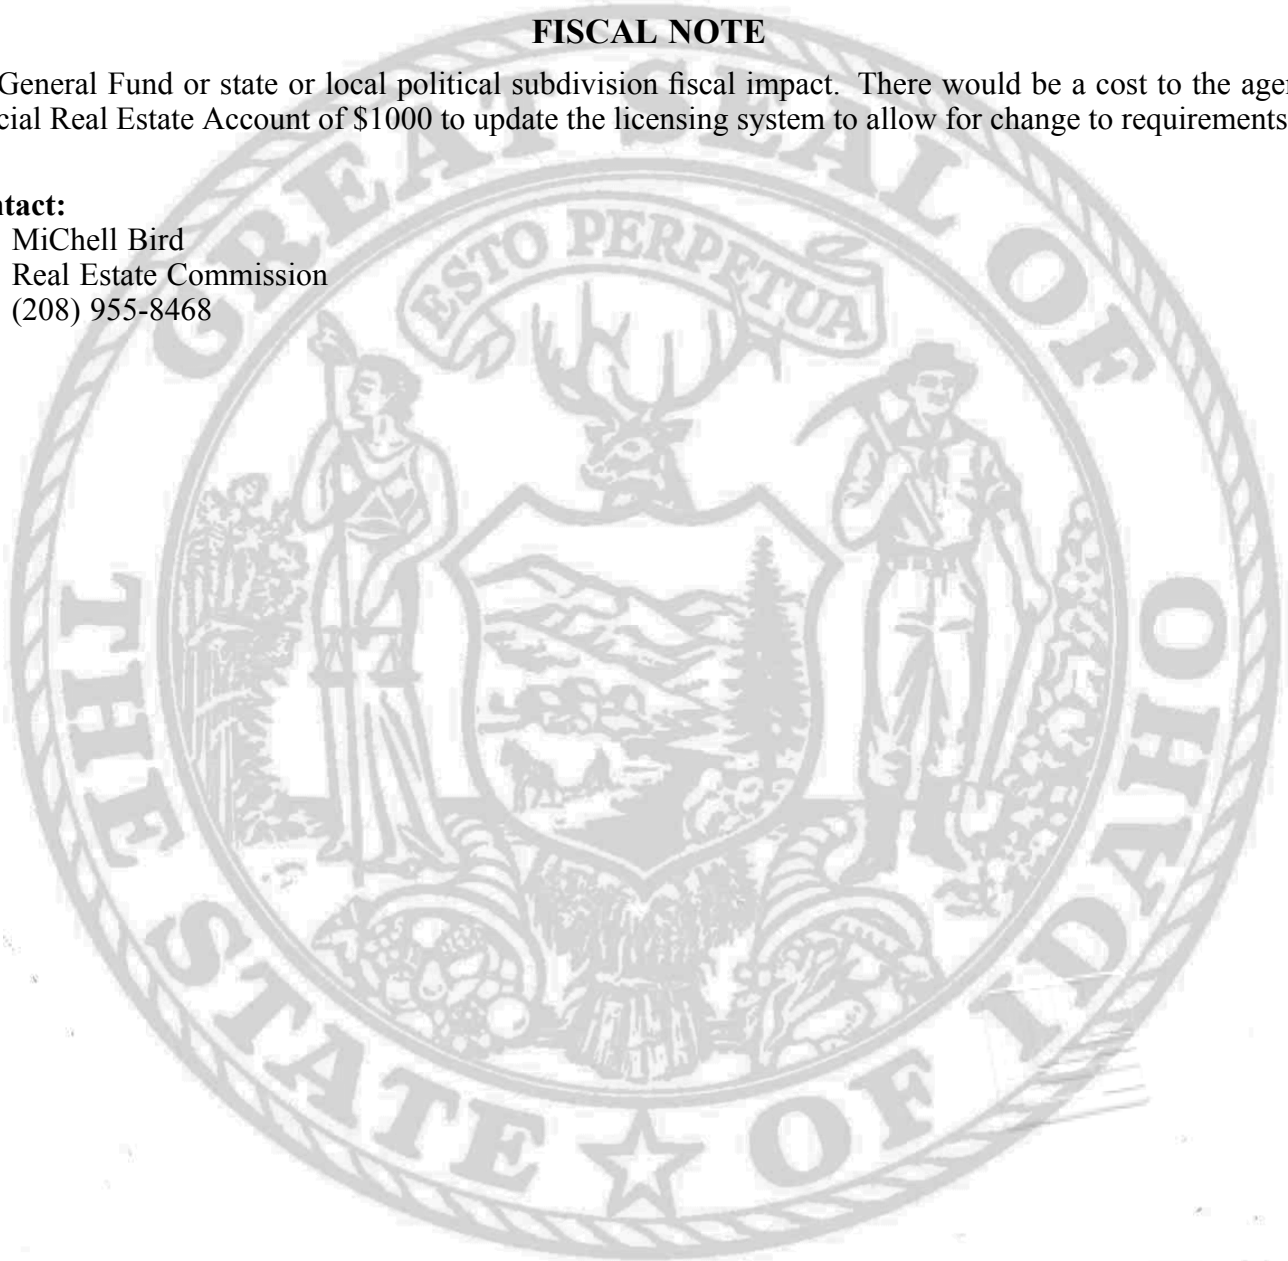

Consistent with the Governor's Licensing Freedom Act, this bill would reduce barriers to licensure and burdens on current licensees of the Real Estate Commission. The changes would reduce the minimum number of hours required in individual accredited courses, eliminate unnecessary requirements to mark rejected offers, and have a written agency office policy. The proposed legislation also clarifies language about calling meetings of the Commission and removes a citation to a rule that was allowed to expire.

## FISCAL NOTE

No General Fund or state or local political subdivision fiscal impact. There would be a cost to the agency's Special Real Estate Account of \$1000 to update the licensing system to allow for change to requirements.
