

STATEMENT OF PURPOSE

RS27681 / H0492

The introduction of facial recognition technology in both the public and private sector creates opportunities to improve security and enhance public safety. However, this technology also carries potential risks for privacy and civil liberties. Through this legislation, proposed safeguards will be implemented to balance the opportunities and the risks.

FISCAL NOTE

Enforcement through the Attorney General's Office will require the support of an additional deputy attorney general and paralegal at a cost of \$239,100 to the General Fund.
